All About Us

Rachael & Shannon

We are a photography & design duo that enjoy shooting weddings, families, and creating unique designs for the future of others. Serving is our passion and sports is our addiction! #gowarriors We are best friends and roommates who enjoy a good laugh just as much as our pup Cooper!

Tallahassee, Florida is our home but we love to travel! We live for the moment and love to capture bright, joyful, and timeless photos!

Awww! You are about to become a mama! Just think about all the joy and the changes you have endured during your pregnancy. We want to catch all of that and more during your maternity session. Embrace that baby bump and have memories to look back on when you are finally holding your baby bundle. Make sure to ask about our Baby Package as well! All of the special milestones of the first year captured just for you.
