

## Interior Designer

KMA Design Studio has been practicing in the Philadelphia area since 1977, providing a full range of architectural and interior design services. We have continued to grow through challenging economic times thanks to a service-first approach and a diverse portfolio. We are seeking self-motivated individuals looking to become part of a strong mid-size firm in a busy remote collaborative environment.

### Essential Functions:

- Collaborate with Interiors and Architecture team on projects from concept through construction.
- Uses space planning and interior design skills to translate the defined aesthetic of the clients with which we work.
- Present design work internally and to clients.
- Materials and furniture selection and specification.
- Develop and prepare client presentations using multiple applications.
- Work with consultants, contractors and fabricators to meet overall project objectives.

### Qualifications:

- Bachelor's degree in Interior Design or Interior Architecture from an accredited university is required.
- 3-5 years of experience in Commercial design firm.
- Proficiency with Revit Architecture in a collaborative multi-user environment is preferred.
- Proficiency in Lumion, Photoshop, and Illustrator is preferred.
- Solid organization and communication skills, as well as an ability to work well in a team environment.
- Experience with space planning, material selections and specifications, FF&E selection and specification, codes and a thorough understanding of construction drawings.
- Local applicants only. The office is located in Ambler, PA.

Compensation will be based on skills and experience.

Interested and qualified candidates should email a resume and work examples in PDF format.
