Description & Goals of the Trip

This trip supports Kerus Care Center and 80 orphaned/vulnerable children. The team will help with facility upgrades and repairs. We will assist in hosting a retreat with the Kerus staff for middle and high school orphans, navigating/preventing trauma, as well as understanding identity in Christ. The team will receive tools, training, and resources to help support and equip students in navigating trauma from a Christ-centered perspective.

Accomplishing the Great Commission

This trip shares the Gospel through service and relationships. By helping with construction, investing in children, and supporting staff, we will show Christ's love in practical ways. We aim to meet needs while learning from the Kerus community's strong faith amid hardship. Through encouragement, prayer, and ministry together, we participate in the Great Commission and reflect the heart of Christ across cultures.

Long-Term Partnership

This trip supports a growing, long-term partnership as Kerus expands trauma-informed ministry worldwide. We aim to provide ongoing prayer, teams, and practical help while strengthening relationships with children and staff. We also hope to assist in global training to protect vulnerable children. This aligns with Rich Fork's mission to care for foster families and share the hope of Christ.

Interest Meeting:

January 25th, 2026
3:30 pm

Deposit Schedule:

February 15 th	\$750
April 26 th	\$900
June 28 th	\$1,000
September 13 th	\$1,250

Training Dates:

TBD
