

HAVE A TIMELINE

Trust me when I tell you what a difference this can make in the way your wedding flows. And if you don't know what a wedding timeline looks like, don't worry! I will walk you through how much time I'll need for the events and portraits you hold most important. On the day of your wedding you won't need to think about what's next as we will already have it outlined.

DETAIL ITEMS

Get two bags or baskets to keep all your memorable details like the invitation, shoes, earrings, rings, tie, and boutonniere for detail portraits. This will cut down a lot of time spent searching for what needs to be included in details portraits. That way I can have more time for you!

SECRETS

Sounds juicy, right?!

At your engagement session feel free to let me know if you have a "good side" or any areas of insecurity. I love to be able to offer an awareness to what you like best about yourself, and will work hard to keep this in mind throughout your wedding day.

You can always remind me too.

MY HOPE IS THAT THESE TIPS WILL EASE THE STRESS AND HELP YOU HAVE AN INCREDIBLE TIME AT YOUR WEDDING!
