

YOUR PRICE & INFORMATION GUIDE

WELCOME

We capture artful and candid photography, alongside classic home-movie style videos, so you can forever relive your wedding like it was yesterday.

We have noticed a lot of our couples comment on how we made them feel during their wedding day, and we believe that's because a good connection with our couples is at the heart of what we do.

We want your photo and video experience to be comfortable and enjoyable, and after years of shooting weddings we know that the best experience for you is when we blend in with the guests.

Hola, we are

EDUARD & JOSEY

If you like the idea of working with another couple who just so happen to be pretty passionate about photography and videography, then we might just be the perfect fit.

We are Eduard & Josey, a couple based in Yorkshire & Barcelona, hopping around the world capturing beautiful, intentional wedding celebrations for couples like yourselves.

We are the team for you if you're looking for professional but also warm-hearted, calm and brings an energy that fills the day with positive vibes (for both you and your guests).

WHY BOOK EXTRA DAYS?

THE PERFECT SOLUTION TO COVER MULTIPLE EVENTS WITHIN YOUR CELEBRATION

With our additional coverage, we are able to preserve more memories from your wedding celebration.

We recognise that weddings aren't just a celebration of your love, they're also a gathering of your family and friends, and possibly one of the only times you'll have everyone together at the same time.

The extra coverage in our packages mean you have the opportunity to immerse yourself back into all the moments you shared within your wedding celebrations.

From hosting an intimate candlelit dinner in the local village or town the night before, surrounded by your closest guests, to the vibrant pool party the following day, complete with Sangria making sessions and drone coverage of the lively pool, or escaping for extra couple portraits, where we capture some casual but beautiful moments of just the two of you.

You can choose what you'd like us to cover. We recommend extra day coverage because our approach is to document as many moments and emotions as we can. The energy of the night before differs from the wedding day, which differs from the day after. It's so lovely to look back on your photos and films and be able to revisit this special time.

REACH OUT AND WE'LL ORGANISE A CALL

Let's have a video call. The perfect chance for us to get to know each other, and go through any questions you may have.

There is zero obligation to book during our call, we want you to feel 100% confident and excited about your booking and to know the ins and outs!

SECURING THE DATE

Please note that we do book out pretty far in advance. We only take on a limited amount of weddings per year, and no more than 4 per month.

It's best to get in touch with us sooner rather than later, to avoid any disappointment. Weddings are not booked until we have received the contract and 25% retainer fee invoice.

LITTLE LOVE LETTERS

Testimonials we've received from other couples

LAM & MATT

"Literally felt like instant friends from our first meeting."

MAGGIE & ROBERT

"Just wanted to let you know you've ruined me emotionally because every time I look at the photos and videos I get shaky and start crying because I'm so overwhelmed haha. I feel like there's so much to enjoy and I don't know how I'm not going to look through them every day for the rest of my life."

SOPHIE & LEE

"They are better than we could have ever hoped for or imagined. You captured the feel of our day so perfectly, and we really feel like the photos are so true to our relationship and ourselves! You are truly amazing at what you do... I feel so beautiful in all of the photos and I'm so glad the happiness we felt on the day has been so perfectly captured."

Lee said "thank goodness you found these guys!" - and I think that sums it up... so grateful to have had you both there to capture the day. We really appreciate the work you put into our day and to making everyone feel so comfortable. We are forever grateful!"
