Libby Fisher Signature brings together the best of Interior Design and Home Selling and Buying. Having made her niche in the world of Corporate Design originally, a foundation was set to include space design, sourcing and a unique skill set of project management and client relations.

Moving into Residential Design in recent years, Libby has added to her bag of repertoire, Realtor; listing and selling properties for her design clients.

"It just makes sense," says Libby. "My clients and I have an established relationship and trust, and with my knowledge of their taste and furnishings, I am able to find the perfect property to meet the demands of their increasingly personalized, user focused world.

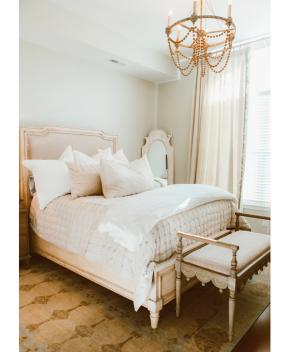

This means understanding precisely what the buyer wants and how to give it to them"

Having the eye to identify unique features and envision potential shifts in space design, Libby is able to see more options in any given property and present to a discerning client. For those selling, that same skill set is honed into a plan to refresh a property, stage appropriately, and selling at the maximum possible value. This all taking place under the watchful direction of Libby Fisher Signature. It is that keen sense of intuitively, along with visual acuity,

that makes for a fresh approach to home selling, buying, designing and furnishings.

SIMPLY PUT. I HAVE A PASSION FOR CREATING A BEAUTIFUL ROOM! SHOULD IT BE A COMBINATION. TO COMPRISE AN ENTIRE HOME OR A SPECIAL SINGLE ROOM .... IT IS ALL ABOUT HOW MY TALENTS CAN EMBELLISH THE NEEDS AND WANTS OF THE CLIENT. PROVIDING THE SPACE THEY ENVISION, CALLING IT HOME OR GENERATING A HEALTHY RETURN WITH AN INVESTMENT OF A REFRESH TO A PROPERTY TO SELL.

BUYING, SELLING OR DESIGNING. I AM A REALTOR AND AN INTERIOR DESIGNER, MAKING ALL ESTHETICS WONDERFUL AND SOUND, GETTING TOP DOLLAR FOR A PROPERTY FINDING THAT DREAM HOME OR MAKING THE PRESENT HOME MORE PERFECT.

I WOULD LOVE THE OPPORTUNITY TO WORK TOGETHER!
