FIRST AND FOREMOST, I AM SO GLAD YOU'RE HERE!

I'm Darren Schmall, the Owner of ApCal Rock'n Ranch. NICE TO MEET YOU!

THE APCAL STORY

ApCal has evolved over the years! What started out as a small Wine Tasting Room and Visitor Center has turned into the Best Outdoor Concert Venue in the Central Valley! From our humble beginnings on the "Patio Stage" with local bands to the big outdoor stage in the corner of the yard with LA + SF tribute bands — ApCal has always brought great music to the Central Valley!

Today, we have gone over the top! We've unveiled a 40'x40' stage and a 40'x40' dance floor, along with all the seating you need to spread your wings and social distance, regardless of how big the crowd is! We bring the BEST bands that we can find from all over California. The ApCal Rock'n Ranch is THE music destination in the Central Valley!

This is the best outdoor concert venue in the central valley. The atmosphere is amazing from the sound system and the state of the art lighting. You got food trucks and a huge selection of adult beverages to choose from. Not to mention you get to bring your own food of choice. Bring a chair or blanket and sit back, relax and enjoy the show. Apcal gets 🍷🍷🍷 hands down.

This is a fun place to visit during their event season. Staff are very friendly and helpful. If your over 21, no one under 21 is allowed, (sounds amazing right parents!), like to listen to music, and need a night away to relax, want to hang out with friends, or want to have a fun date night with your significant other, then this is definitely the place to go. Guys this would also be a good first date venue!

They serve local wine and have Riley's beers on tap. And if your not sure which wine or beer you want, get yourself a taste sampler or what they have to offer. You can taste test the wines or beer. They also have food trucks there during each event.

Check out their calendar of events on Friday and Saturday nights and pick a music night you'd like to see and buy those tickets! They also have a beer festival coming up for the 2018 season. It's a lot of fun!

I've attended to 2 concerts this summer. I was pleasantly surprised that both tribute concerts were really good. It's a relaxing atmosphere you can purchase there delicious pomegranate wine 🍷 or there different varieties along with beer. There's a dancing area to better enjoy the music. I would highly recommend attending there concerts for those who are curious in going. Won't be disappointed!
