

From blurry shots
to bold storytelling
— learn the art of
photography in a
course that's all
encompassing.

YOUR TEACHER

I'm Chanie, a photographer with 10 years
experience behind the lens :)

I'm just as passionate about teaching as I am about
creating stunning imagery.

I love helping others turn their creativity into
confidence and their passion into profit.

Whether you're picking up a camera for the first
time or dreaming of launching your own
photography business, I'm here to guide you every
step of the way.

Chanie.
