THE

ENGAGEMENT

EXPERIENCE

YOUR ENGAGEMENT SESSION

Your engagement session can be scheduled anytime before your wedding day. I normally suggest booking it at least 3-6 months in advance to avoid stress. Because my weekends are filled with weddings, I shoot engagements on weekday evenings, normally from 5-7pm depending on the light and the time of the year. In the winter months, 3-5pm is a normal time frame for an e-shoot! As you start to plan for your engagement shoot, you will need to start brainstorming about location ideas. I LOVE it when couples pick a location that is special or sentimental to them in some way! If you can't think of anywhere specific that you would like to shoot, I can help you decide on a location! As long as the light is great, I can make ANY location look awesome! I shoot at farms, campuses, downtown alleys and even laundry mats! I'm serious! Do not shy away from crazy ideas! The more creative, the better! Be sure to keep reading to find out more about outfit ideas and inspiration!

ENGAGEMENT SESSION PREP

It's always a little intimidating to have your picture taken even if it's just a photo on an iphone that is taken by a friend. We still want to look nice, make sure nothing is in our teeth and that our hair is behaving! I realize that preparing for your session can be a little overwhelming. Over the next few pages, I'll be providing tips for outfits, handling nerves and recommendations that will make your shoot the best it can possibly be!

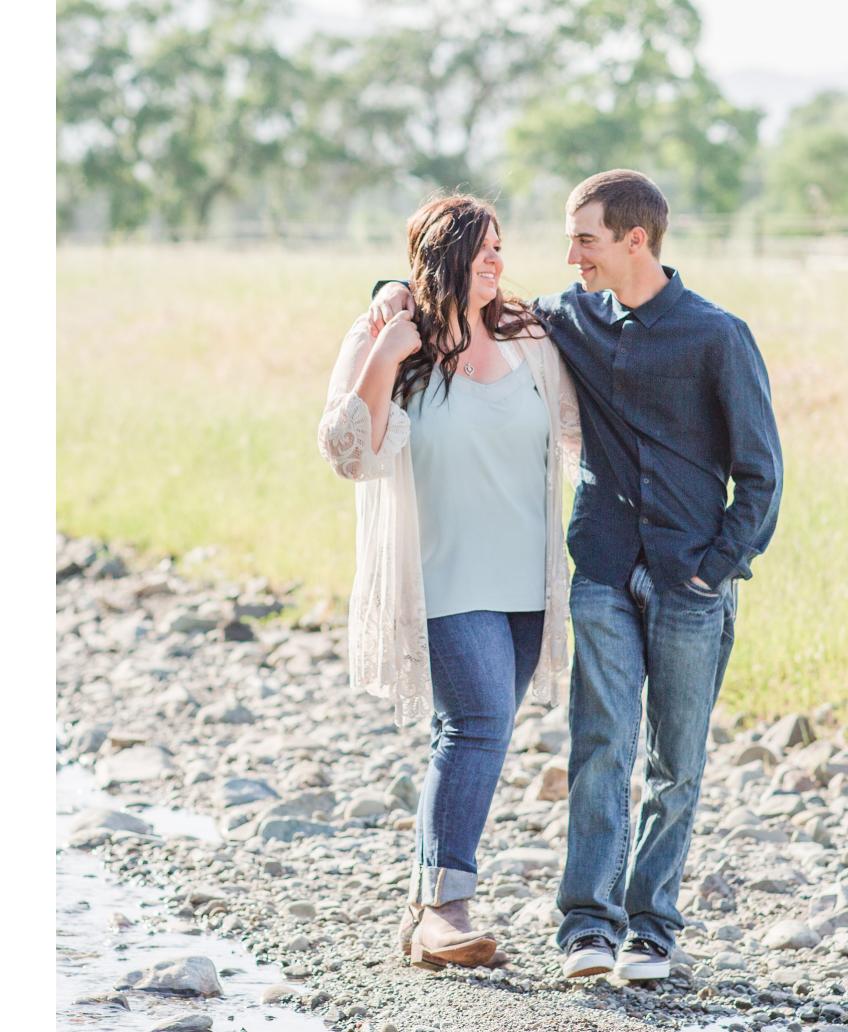

the basics + what to bring

- Don't try to MATCH...try to pick outfits and accessories that coordinate instead. If everyone wore the same exact color at their e-shoot, how boring would those images be?
- Don't be afraid to be BOLD! Accessorize and make your outfits your own! Scarves, bold necklaces and fun shoes are always welcomed!
- MOST PATTERNS are actually ok.... however, graphics are not favorable for portraits. If you're wearing a pattern, make sure it's not overwhelming and distracting.
- Be sure to check out the Pinterest boards for more outfit inspiration if you're having trouble!
- Empty your pockets! Literally. You don't want to have key chains or phones showing through your pockets. (This is for the guys especially!)

- Most often, couples like to have one casual, everyday outfit and then one outfit that is dressier! This will give your shoot two totally different "looks". I recommend beginning with the dressy outfit first!
- Make sure you're comfortable in what you're wearing. And ladies, if the top is super low cut, that will limit the amount of angles I can shoot from.
- BE ON TIME! The sun is only out for so long! The later you arrive, the less time we have to shoot! And nobody wants that!
- Clean the ring! I love to shoot a few rings shots while you change outfits! The cleaner the better!
- Relax! You don't have to be a pro at this! I'm going to help you along the way and it's going to be a blast! Enjoy this time together, and make a date out of it! Plan dinner afterwards and celebrate!!

what style do you prefer?

BOLD or NUETRAL

DRESSY or CASUAL

CLASSIC or TRENDY

These choices represent the three main decisions you will have to make in regards to your outfit choices. There are no right or wrong answers! Maybe you want one outfit to be dressy and the other to be casual. Maybe you want one outfit to be very light and nuetral but you want to wear more color in the next outfit. These categories will hopefully help you determine what you're hoping for in your engagement session. If you're feeling stuck and can't seem to determine what you prefer, that's very normal!

Here are some general "rules of thumb" when it comes to styling during an engagement session. Once you read through these, you may have a better understanding of what you perfer and you can start planning your outfits. These "rules of thumbs" are based off of my experience and aren't concrete rules that can't be broken. However, if you have questions about one of them in regards to what you want to wear, just email me and we can talk about what would be best!:

Things to Avoid:

- 1. Colors to avoid: bright reds, neons, bright oranges (they reflect color onto skin and can be difficult to edit!)
- **2. Avoid patterns smaller than a quarter:** Tiny patterns cause something called "Chromatic Abberation" in digital images. Men's checkered shirts are fine if the "checks" are on the larger side.
- 3. Alternate Heaviness: If one of you is wearing very dark jeans, the other may want to wear lighter pants. If one of you is wearing a navy top, the other shouldn't wear a dark/heavy colored top. To a certain degree, alternating the "heaviness" of your outfits can make your images look more balanced.
- **4. Avoid one of you being casual while the other is more dressy:** This can look a bit awkward in photos. If one of you is dressed up and the other is casual, it can look a little odd in your images.
- $\textbf{5. Other things to avoid:} \ \ \textbf{Tennis shoes, Graphic tees,} \ \ \textbf{Bold logos on shirts, Sunglasses} \ \& \ \ \textbf{Baseball Hats}$

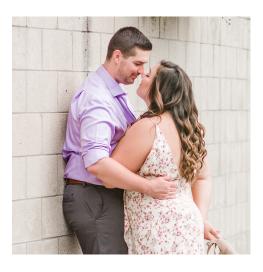

ROMANTIC STYLE RECIPE

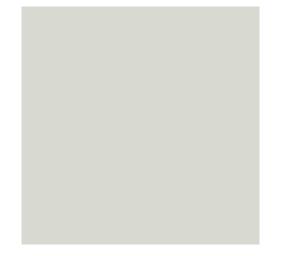

If you're hoping for a more romantic style of shoot that includes "light" and "airy" colors, you can actually make outfit choices that will lend your images to turn out brighter, softer and extra photogenic! Here are some ingredients that go into creating a romantic styled shoot. It's important to note that you do not need to choose all of these ingredients in order to have a light and airy style to your images but the more ingredients you include, the more soft and romantic it will be:

- Neutral Colors: Blushes, tans, light pinks, faint blues and light minty teals, creams, grays and whites will always result in more of a light and airy look in your images. These colors photograph softer and more romantically!
- -Long, Flowy Skirts/Dresses: Dresses and skirts with feminine ruffles, multiple layers of fabric and the ability to blow and move in the wind will always photograph beautifully! You would be amazed at how impactful moving fabric softens an image.
- *Khakis vs. Jeans:* If you really want your images to be as bright as possible, consider having your groom wear lighter pants instead of dark dress pants or dark jeans.

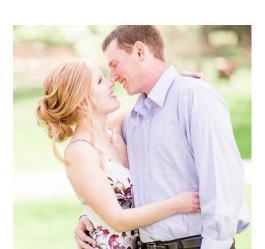

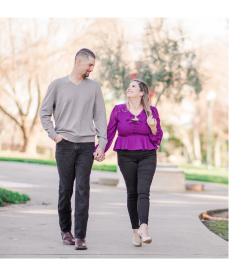

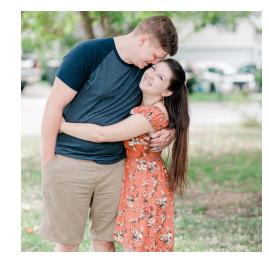

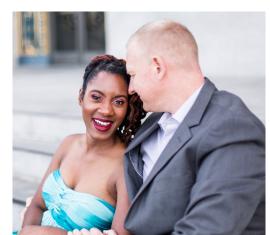

BRIGHT & BOLD RECIPE

Just like the "romantic" recipe, you don't have to apply all of these "ingredients to get a perfectly BRIGHT & BOLD look to your session. These ingredients include:

- *Only one wears a pattern:* If one of you has a bold pattern, it's very important that the other doesn't. The more bold the pattern, the more important this rule is!
- *Bold Backgrounds:* A lot of time, if my families are going for a bold and bright look, I will notice solid colored backgrounds to use for part of their session! It's a double win if the background coordinates with their outfits!
- Only one bold color: If you really want a bold and bright look but you want to do it well and tastefully, I would suggest that only one of you have a bright and bold colored outfit and the others stay in a solid nuetral to avoid over-doing it!
- Large Patterns are Preferred: If you really want to wear a pattern, my only request is that your pattern is on the larger side. Patterns that are smaller than a quarter can be difficult to photograph. This isn't true of all patterns but it's a good general rule to go by!

ENGAGEMENT SESSION

Approximate Start Times

WINTER

Dec -Mar 3:30-5:30pm

During December through Mid-March you can plan on your engagement session taking place around 3:30-5:30pm. However, the time changes in Mid-March and so that will make the start time one hour later

SUMMER May-Aug 5:00-7:00pm

Summer engagements, just like all engagements, take place two hours before sunset. This will hopefully mean that the shoot will be during the cooler part of the day.

SPRING Apr-May - 4:30-6:30

The sunset time drastically changes throughout the course of these two months and so our shooting times change as well. You can plan on approximately 5:30-7:30 in April and 6:00-8:00 in May.

FALL Sept-Nov - Varies

The sunset time changes drastically during these three months. In Sept, you can plan on 4:30-6:30 until the third week and then you can plan on 4:00-6:00 until Mid- Nov. After that, you can plan 3:00-5:00pm.

LOGISTICS:

- I typically photograph engagement sessions on weekday evenings because my weekends are dedicated to photographing weddings!
- I love shooting at gorgeous locations. I recommend two locations max for engagements. A general rule of thumb is the more locations and outfits, the less images, but the more variety you'll have!
- I can do sunrise sessions if necessary! I require sunrise shoots for those who want to take portraits in a very crowded location.
- I love to travel to my shoots! However, if I have never been to your desired location, we may need some advice on where to park!
