The doors to Radiant AFI—are closing. In less than 10 hours, enrollment will officially end, and the journey to the most radiant lives for the women inside the group will begin.

At this point, you should have all the info you need—and more importantly, the gut instinct telling you whether this is the opportunity you've been craving or not—to choose to either take action or remain comfortable where you are.

When I think about my own journey with embodiment and self-love and what it's done for me, it's hard to put it into words. But I did my best—check out this quick, 3 minute video I recorded for you in case you're still on the fence about Radiant AF!

There are so many promises being delivered to your screen every day that this thing that we can buy or do is going to be what helps us feel better or more in control of our lives.

But I want you to know YOUR power lies 100% within.

It's available right now.

Are you putting your attention on where you feel something lacking or on that radiant light that is just waiting for you to notice it?

>>> Click here to enroll in Radiant AF! (Closing at midnight PST!)

I hope I'll get to personally welcome you into the sisterhood on the first live call 2/22!
