PRICING GUIDE

WELCOME!

I'm Ashley!

I'm a fun loving empath in my mid 20's. Driven and creative. A full time photographer, mom and fiancé. I'm dedicated to capturing beautiful memories and moments in time that can live on forever through delicate nostalgic photos.

It's an honor and a blessing to call art my career. I'm super into cinema and photos the make you feel something. I can't wait to make magic with you and tell your story the best way I know how! I find so much joy and fulfillment in wedding photography and simply getting good photos. I want it as much as you! Let's do the dang thing and turn your love into a movie scene.

TESTIMONIAL

"What can we say about working with Ashley. We met for our engagement shoot never having had our pics professionally taken. She made us feel so comfortable, made it fun, and just captured us interacting in the moment. All while she locked in on location, lighting, and composition of the natural scenery around us. For our wedding, we planned a day of surprises for our guests and she captured each one, and all the love and excitement shared by us and our guests. We never saw her, but somehow she was everywhere! Also, just a super caring and cool person. Love to look back on the memories all captured so well."

FAQ

WHEN SHOULD I ADD ON A SECOND SHOOTER?

A second shooter gives more angles and allows me to be in two places at once. If you have a larger wedding, larger venue or want a larger time frame covered, it is never a bad idea to hire a second.

WHAT'S YOUR TURN AROUND TIME?

All weddings will receive sneak peeks within one week of the wedding date and a final gallery will be delivered via email within 6-8 weeks. Engagements time frame is 2-4 weeks.

CAN I ADD THINGS TO MY PACKAGE AFTER WE PAY THE DEPOSIT?

Absolutely! I can always adjust your proposal or send a separate invoice in your portal (this is a great option for a nice surprise boudoir session...hehee).

WHAT DOES TIMELINE PLANNING WITH YOU LOOK LIKE?

As an experienced photographer I love to map out your day with you. You have the final say of course, but I want you to end up with all the best shots and that means planning where and when the best lighting is. We work on this together as we approach your day and then finalize everything a month or so out. If you have a planner we would all work together!

DO YOU OFFER PAYMENT PLANS?

Yes! I require 10% of your total as your deposit then the remaining can be split however you'd like it, just to be paid in full one week before your day.

THANK YOU!

I appreciate your time and interest. It's an honor to even be considered for something so big. I know how special this day is and I don't take it lightly! I am here for it ALL. I will laugh with you and cry with you. I'm pretty talented at multitasking though, crying and snapping the photos of you crying at the same time.. I'm so excited already!!

NEXT STEPS:

- Inquire and tell me about your day if you have not yet.
- I will email you and we will most likely chat on the phone to make sure we're a great fit.
- Pick out your package! I can help you decide by hearing how you envision your day and guiding you to what I think would be best if you'd like.
- Set up your payment plan. Just tell me how you'd like it and I will make it up and send it over with your contract.
- Sign your contract and pay your deposit.

Your date can not be saved until this step is done

- Scream with me.

For real. AHH!! Send me all your Pinterest boards and ideas, I love to be involved in it all. We'll talk on the phone and/or meet up whether it's for photos of just hanging out. Once we get closer to your date we will get everything in place for the wedding photos of your dreams. Then all you gotta do is show up..See you then..
