THE MANSION AT STRATHMORE

North Bethesda, MD

Saturday September 5th, 2020

This Mood Board represents a general inspiration of the color palette and aesthetic that will be followed for the design of your wedding event. Specific rentals and flower selections will be solidified closer to the date and may look slightly different than the ones in the board, per CEREMONIA's discretion. In regards to personal flowers (i.e., bouquet and/or boutonniere), you will have the opportunity to talk to the designated floral designer to discuss preferences of shape, size, specific blooms and slight variations in the color palette.
