

Trial Run Tips

TRIAL RUN APPOINTMENT

We highly suggest brides come in for a trial run hair and makeup session.

This appointment is such a great time for us to get to know you and hear all of your ideas for your bridal look! During the appointment, we start with a detailed consultation before creating your customized hair and makeup look. Once you see the final results, we are happy to make any adjustments you would like.

HAIR & SKIN PREP

We recommend coming in with a makeup-free face and completely dry, clean hair. Your usual skincare routine is welcomed to be used beforehand. We believe in taking care of your hair and skin for best results on your big day! This could include adding in a weekly face mask or getting your hair trimmed more often to keep it healthy. We are happy to provide any specific recommendations if needed!

WHAT TO BRING

Inspiration photos are super helpful in relaying your bridal vision to us. If possible, try to look for photos with similar hair coloring to your own so you are able to envision how it might look on yourself. If you have a hair accessory or bridal veil, we recommend bringing these along to try with the hairstyle. Our studio can accommodate 1-2 additional guests during the appointment, so feel free to invite someone along!
