Scott Robinson serves as the VP, Search Strategy & Operations with the Goodwin Group. He brings a wealth of expertise in executive search strategy, research and sourcing techniques, operations management, market intelligence, and human resources. Scott has over 30 years of industry experience in executive search and research, professional services, and human resources.

Scott is responsible for the firm's internal operations, internal technology and databases, vendor relationships, training, and leads our team of executive search consultants.

Scott enjoys spending time with his 3 grown children, playing golf and fishing.
