Services

Individual & Group/Team Coaching

Because leadership coaching is such a critical part of creating awareness and catapulting growth, while tailoring the journey to each individual or team, Doc has created "TRANSFORM Leadership Coaching - The 4 D's" which is a proven process that combines the art & science of coaching to deliver positive results... every time!

Workshops & Masterminds

These programs are based on fundamental elements that affect every person (positively or negatively), and they have been designed to educate teams on what the more prevalent psychological barriers are. Additionally, we cover strategies to overcome those barriers which inhibit performance; while simultaneously creating the space for team building & bonding.
