LAKESIDE NATURAL STONE

🍁 CANADIAN FLAGSTONE

FLAGSTONE SLABS

Colours Available		Harmony Brown	Orion Black	Sunset	Silver Mist	Graphite Grey	Crystal Black	Muskoka Mist
Item Description	Unit	Pricing						
2" Thermal Slab	SQFT	\$26.57	\$27.73	\$28.46	\$29.33	\$30.03	\$33.09	\$34.78

Granite Slabs: Our large-format granite slabs are primarily rectangular, with natural variations in shape. Each slab covers approximately 50–60 sq. ft. and comes standard in a 2" thickness (other thicknesses available upon request). Finished with a thermal jet technique, these slabs feature organic, split-style edges. Square footage is calculated based on the slab's usable interior dimensions.

LANDSCAPE PAVERS

Colours Available		Harmony Brown	Orion Black	Graphite Grey	Silver Mist	Muskoka Mist	Sunset & Crystal Black
Item Description	Unit	Pricing					
2" Thermal Paver 1' x 1'	SQFT	\$26.22	\$27.00	\$29.06	\$31.91	\$45.44	Call for Price
2" Thermal Paver 2' x 1'	SQFT	\$26.22	\$27.00	\$29.06	\$31.91	\$45.44	Call for Price
2" Thermal Paver 2' x 3'	SQFT	\$26.22	\$31.91	\$29.06	\$31.91	\$47.78	Call for Price
2" Thermal Paver 5' x 3'	SQFT	\$31.91	\$31.91	\$33.74	\$42.26	\$47.78	Call for Price
2" Thermal Paver 6' x 4'	SQFT	\$36.05	\$31.91	\$33.74	\$42.26	\$47.78	Call for Price

Pavers: Crafted with CNC precision, our pavers are typically 2" thick and can be customized to meet your project's exact dimensions. The thermal finish offers both durability and a refined look, perfect for achieving smooth, uniform surfaces. Pricing is determined by the paver's longest side.

Square Edge Treads—20" Depth: Designed for modern aesthetics, these treads feature crisp square edges and a generous 20-inch depth—perfect for contemporary applications. The thermal top finish adds durability and slip resistance, making them suitable for both indoor and outdoor use. Sleek, strong, and versatile, they elevate any space with a clean, architectural look.

CUSTOM TREADS

No matter the size or style, our treads can be tailored to suit your project's specific design needs. We offer CNC customization for anchor holes and mounting plates, as well as precision-cut grooves for integrated lighting. Additional options include cutouts for flush-mount lights, notches for railing connections, and drainage slots. This level of flexibility allows our treads to fit effortlessly into a wide range of design styles and functional requirements, making them a smart choice for both residential and commercial spaces.
