Updated tetanus
and Hep A are
suggested

PHYSICAL DEMANDS

Walking,
lifting 25+ lbs,
stamina for
long days

SKILL SET

Heart for children and
teenagers, sharing the
Gospel, adaptability,
patience, cultural sensitivity

Description & Goals of the Trip

SendRelief (www.sendrelief.org) facilitates the connection with Graffiti 2 Church for summer sports camps. This camp centers around baseball, however no experience with baseball is necessary. Camp games, interacting with kids, sharing the love of Christ throughout the day, and just being present with people are keys to this trip. Rich Fork is a great encouragement to the staff at Graffiti 2 in executing this outreach effort.

Accomplishing the Great Commission

Partnering with Graffiti 2 church in the Bronx during this week is one way that we can support their evangelistic efforts in the city as they aim to reach the children and teenagers in the area, make disciples, and teach them all that Christ commanded, to impact the Bronx for the Kingdom. Many children in the Bronx came to know Christ through camps like this over the years, and are now faithful leaders in the church and community.

Long-Term Partnership

This partnership has been ongoing for several years. This trip connects Rich Fork, SendRelief, and Graffiti 2 Church in long-term efforts in New York City. This is a good opportunity for individuals or families (with certain minimum age restrictions). Rich Fork has also served at other sports camps with Graffiti 2 and may add additional opportunities like this in the future to support efforts in the Bronx.

Interest Meeting:

January 25th, 2026
3:30 pm

Deposit Schedule:

February 8 th	\$125
March 29 th	\$150
May 17 th	\$200
June 14 th	\$275

Training Dates:

TBD
