

WEDDING CHECKLIST

I am so honoured to be a part of your big day!

I have put together a handy checklist to help you plan, but please remember this is just a tool to help make the planning process smoother. Your wedding should be a reflection of you and your partner's personal style and preferences, so don't be afraid to make it your own.

Use the checkboxes to keep track of what you've accomplished, and if there's anything that doesn't apply to your wedding, simply mark it as "NA".
