| ABOUT ME

JUST A QUIRKY AWKWARD GIRL WHO LOVES JESUS AND COFFEE

Fueled by Coffee, Romance, and Jesus, I spend my days photographing love stories. Fire wife, dog mom to two, boy mom to one, I absolutely love romanticizing life!! I have been doing wedding photography for 5 years and have a true to color, fun, romantic, timeless look. My job is to serve you two and make your day as perfect as I can!

I'm a photographer for the romantics, the down to earth, the lets have fun and pop champagne type of couple! I'm there to document your good time and preserve those special moments in between!! With my romantic approach, and your fun spirits, we can create timeless images that take you back to that feeling you had in the moment they were taken.

HOPELESS ROMANTIC (AND TOTAL ENNEAGRAM 2), LOVER OF LIGHT, DOGS, AND THE BRIGHT, GLOWING COLORS IMMORTALIZED THROUGH IMAGES.
