*Hello!*  
**WELCOME**  
*I'm Haley*

A little bit about me behind the lens, I married my high school sweetheart, Ronny, and we have two beautiful girls.

I'm a Great Pyrenees dog mom, detailed organizer, adventurer with an itinerary, born and raised Houstonian, and a good ole' foodie. I love a good iced almond milk latte any time of the day.

## *About Me*

My husband purchased my first Canon camera during our first year of marriage. Let's just say I was hooked on taking portraits from day one. Our park walks together turned into photoshoots. I've been told I have an eye for detail, and I make sure that my portraits portray that detail in my line of work. Being a former wedding coordinator, my priority is to make my client's satisfied with not only receiving their beautiful portraits, but the entire process from start to finish.

I am part of the BENG bridal network in Montgomery, TX, the Real Bride to Bride and a monthly women's community of professional photographers who have access to one of the very best photographers in this wedding industry, Katelyn James.

I photograph people in love. Nothing more, nothing less. I adore photography and I am so blessed to do this as my full-time job, it is actually unreal! My goal as your intimate wedding and elopement photographer is to focus on documenting your story while making sure that your day reflects the authenticity of you as a couple. I am fully here for you. Please, don't hesitate to contact me, I would love to hear from you!

*Cheers,*

# WHAT TO EXPECT

## *My style*

You could say bright and true to tone. In essence, I photograph your day as it naturally unfolds, capturing real moments and creating a timeless record of your wedding day.

Connecting with the wedding and the people involved on a personal level is hugely important to me. It creates important portraits that will be part of your family legacy.

## *Before You Book*

The first step is to review my Wedding Collections pricing guides, which you can find in this guide and in the *Investment* section on my website.

The next step is to settle on your date and venue. Once you have these two ultra important decisions made, send in an inquiry and I'll let you know if I'm available on your chosen date!

# WHAT TO EXPECT

## *Scheduling*

Weddings can be scheduled 4 to 12 months in advance. Cancellations and reschedules must be made via email and phone 30 days prior to your wedding day. The Booking Retainer is non-refundable.

Complimentary engagement sessions included in specific packages must be scheduled a few months prior to your wedding date. They cannot be used toward any other session or added to extra coverage time towards your wedding. Be sure to book your day ahead of time due to availability!

# WHAT TO EXPECT

## *Investment*

A 50% non-refundable Booking Retainer deposit is required in order to secure your date. The remaining 50% is broken into two final payments - 25% is due 2 months and the remainder is 25% due 7 days prior to the wedding date. Prices in the Wedding Collections do not reflect tax. Taxes are reflected in the invoice.

All payments must be paid on time according to contract. If the final payment is not received 7 days prior to the wedding date, the photographer will show up to the wedding to take portraits, but will hold all editing until the final payment is received. This also reflects no sneak peek the night of your wedding.

## FREQUENTLY ASKED QUESTIONS

---

Q: What sets you apart from other photographers?

A: With a decade of training under my belt, I know how to pose and guide my clients to make them feel relaxed while looking their absolute best. I use natural light as often as possible and make sure my sessions are fun! Likewise, being a former wedding coordinator I've done weddings for many, many years. I have heard from countless people say I have a gift for making people feel at ease and have an eye for detail.

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your portraits, you will also get a full print release to your portraits. I highly recommend ordering prints through me, but it isn't required. The difference in quality is huge when it comes to ordering through a professional photographer-only printing lab, so I always love to help with prints!

Q: Are you willing to travel?

A: Yes, definitely! Travel fees are applied if I'm going over 60 miles, which is charged both ways. Destinations that exceed two hours driving time each way may require overnight accommodations. Please inquire.

Q: Will my photos be posted publicly on your site and/or social media?

A: Of course, I'd love to show off your portraits, if you're game!

## FREQUENTLY ASKED QUESTIONS

---

Q: Will you photoshop my portraits to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all your portraits, but I believe our imperfections are what make us beautiful and unique. If there are specific edits you want, these will be charged accordingly, depending on the type of corrections. However, I will not photoshop a client to be skinnier, taller, etc.

Q: When is your turnaround time?

A: I give a max time of 31 days. I typically deliver your gallery within one to two weeks, but give one month worth of time in case something unexpected happens to me. You will see a sneak peek on your wedding day!

Q: Are the people featured on your site models?

A: While I'm lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are regular, paying clients. Some photographs are from styled shoots, but mostly paid clients.

Q: Do you think I have to have a coordinator for my wedding?

A: Absolutely, without a doubt! You want to enjoy the day and not have family coordinating as much as possible so they can enjoy your day as well. Get a friend, who is organized or hire a pro. The pros are amazing at what they do! They will be my "go to" person throughout the day. If you have a guest count more of 150-250 people, you'll likely need two wedding coordinators day of.

## FREQUENTLY ASKED QUESTIONS

---

Q: Will I see a sneak peek?

A: Yes, of course you will! I usually show a sneak peek right away, either 1-2 days after your wedding and a few portraits at your wedding if the day goes according to schedule. Never have I failed delivering a sneak peek on your wedding day.

Q: Will I receive black and white portraits in my gallery?

A: You will most definitely! I throw in a few if the quality of the portrait would look beautiful as a black and white portrait.

Q: How Do I Book A Date?

A: We can only reserve a date after receiving the booking retainer deposit, which is 50% down. We are currently booking out to July 2025. As most couples tend to have their wedding on a Saturday these are the days that book out the quickest.

Q: Do you prefer I order my prints and albums through you?

A: Definitely and HIGHLY recommend! I work with a professional photographer-only printing lab. They do AHH-MAZING products - from prints, albums, books, canvas', and more. A couple weeks after your wedding, I love meeting with my newlyweds to touch and look at samples of albums. You will love the end result and definitely notice it's not your typical print store quality with anything purchased through me. I've had brides want prints specifically through me months after their wedding because they did a regular print store and noticed the quality difference completely different and beautifully done.

A romantic wedding scene at night. A bride in a white lace dress and veil is kissing a groom in a black suit. They are surrounded by guests, some holding up phones to take pictures. The scene is filled with many bubbles and warm, bokeh lights from string lights. The background shows a wooden deck and a building with lights.
