A WONDER OF THE SOLENT

WELCOME TO THE BUGLE

A NEW LANDMARK BUILDING WITH A TWIST

Situated overlooking Southampton's Royal Pier
The Bugle is a beautiful townhouse venue
exclusively available for weddings, Birthday
celebrations, corporate events, photoshoots and
homestays.

Offering the best of both worlds, The Bugle is a
venue like no other. Here, old-world
elegance meets a modern-day approach. Period
decadence sits alongside unpretentious
style. And sea views compete with the charm of
a historic city.

Whether you're celebrating your nuptials, on a
location shoot, or catching up with friends, we
give you the keys to a breath-taking backdrop.
Your imagination creates the story.

WONDER

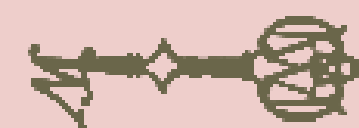

Part of the Wonder House Group collection

A collection of one-of-a-kind historical houses for wondrous happenings.

Wonder House Group is a collection of awe-inspiring period residences that have been restored and repurposed for exclusive-use weddings, parties, retreats, short-term rentals and location shoots.

While each house is unique in its style and stories of the past, they are united by a spirit of enchanting escapism, playfulness and wonder.

Whimsically sophisticated interiors blend with curiously quirky touches to provide inviting places where imaginations run wild and magical encounters unfold. As a brand, Wonder seeks to ignite the spirit and leave an imprint on the soul.

ROOMS

The Bugle is the perfect place for you to gather, celebrate and create magic. Following an extensive makeover, the once derelict property has been painstakingly restored; the old bones of the building sitting alongside modern, artistic styling to create a unique canvas for all event desires. Creative design and unique décor is etched throughout and add more than a pop of personality to each space. Across five floors, we have various different rooms available to suit every event imaginable.

WONDERLAND

Enter on our ground floor via the dusky marble hall, below beautiful hand painted Italian plasterwork and a stunning pink chandelier. Go through the looking glass and find yourself in Wonderland, our triple-aspect grand ballroom. The natural light in Wonderland is enhanced by two spectacular chandeliers and a wall of panelled antique mirrors running the length of the room. Outside on the original stone terrace, from amongst old olive trees you have a view of the Royal Pier.

If you venture back into the hall and up the grand winding staircase, there are three further reception rooms on our first floor.

WHIRLIGIG, GRACES & REVERIE

Reverie is an intimate dining room with an oval dining table that seats up to twelve, beautiful cabinetry and an antique french mirror above an open fireplace. Glide from Reverie into Whirligig's chic bar area, with comfy emerald green banquette seating. Head through to Graces, another magnificent reception room. Elegant, airy and fantastically light,

Graces has three huge floor to ceiling windows, a beautiful muted wall heral mural and giant Alocasia plants, flanking an original open fireplace. Accessible through both Whirligig and Graces is a large balcony with fantastic views of the solent.
