AGREEABLE GRAY (SW 7029): A popular greige that balances gray's coolness with beige's warmth.

ALABASTER (SW 7008): A warm soft white with a hint of creaminess that brightens the room and provides an ideal neutral background for art and decor .

ACCESSIBLE BEIGE (SW 7036): This greige has both beige and gray undertones. It tends to lean toward beige more strongly than gray. Looks fantastic in rooms with natural light.
