"Hans is the best- beyond 5 stars!"

I don't think I have enough characters available here to express how awesome Hans is! I can't say how thankful we are that we found him AND that he was available for our wedding date. He communicates so well, is incredibly easy and fun to chat with, and gave me confidence immediately in taking care of all of the many things he masters on the day of our wedding. He paid attention to every detail, asked all the questions he needed to, and communicated great with our other vendors as well. Super down to earth & kind. All of my family left saying how much they enjoyed him after getting to meet him.

The songs he played on his guitar leading up to the ceremony & after, as well as the songs he played at our reception- were perfect! He reads the room so well, and would kill that no matter how big or small your event is. Seriously look no further than Hans- he's the best & you won't regret it!

"Outstanding Guitarist/DJ/MC"

Flexible, open-minded, fun, professional, honest, detail-oriented, responsive, and calming! Just some of the words I would use to describe Hans. He is an outstanding guitarist, DJ, and MC. We are so happy we chose Hans, he is a MUST for your Tucson wedding!

Rochelle & Rob's Review from weddingwire.com - October 10th, 2022

“Couldn't have picked anyone better”

From the beginning of working with Hans until the big day, he was very professional and thoughtful with his interactions. We like to believe we got the dream team for our wedding with our DJ, photographer, and officiant and we have heard so many compliments since the wedding regarding our day. Hands down, Hans is the right choice!

Yonatan & Kat's Review from [theknot.com](https://www.theknot.com) - October 5th, 2022

“Great with specific requests, but also filled in many blanks where we could only offer generalities.”

Hans DJed our wedding over Labor Day weekend and he was phenomenal. This was our post-COVID rescheduled wedding and we've had a baby in the interim, so our ability to spend time wedding-planning was limited. We had a few things that were important to us from a music perspective, but also a lot of things where we know what we like but cannot quite explain it beyond generalities. Hans did great with the live music and nailed all of our specific requests. He understood our vague preferences and was able to fill in the specifics nicely on his own. He's friendly, approachable and just an all around professional.

"Excellent DJ!"

Hans is absolutely fabulous! He is so easy to work with, knows his music, has great recommendations, and keeps the party dancing! We also took advantage of his guitar skills for the ceremony and it added the perfect touch to our day. We couldn't have been happier with Hans!

Sammy & Sloane's Review from [weddingwire.com](https://www.weddingwire.com) - October 1st, 2022
"Best DJ in Arizona"

Hans was a pleasure to work with from start to finish. He was extremely responsive, easy to deal with, and just overall super fun. We couldn't have asked for a better DJ to work with for our wedding. 10/10 would recommend to anyone who needs a DJ for their wedding, or any event for that matter! Thanks again Hans!!

Ashley & Brandon's Review from [theknot.com](https://www.theknot.com) - June 26th, 2022

“He had great recommendations about how the evening could flow and it all felt seamless”

We are so grateful that we hired Hans for our wedding! He was so prepared and organized and when you are planning a big event (like a wedding), those are the vendors you want. He was also very kind and friendly every time we communicated. We liked that he wasn't an “in your face” DJ. He did a perfect amount of MC-ing, played our requested songs and others that matched the vibe perfectly. During the planning process he had great recommendations about how the evening could flow and it all felt seamless.

Our favorite part was that he played guitar for our ceremony. My husband and I are both performers so having live music involved, especially during the ceremony, made it feel so incredibly special. Being able to have the best of both worlds (so to speak) was perfect. We highly recommend Hans!

Kate & Greg's Review from weddingwire.com - July 17th, 2022

“Absolutely Fantastic - the total package!”

We simply cannot say enough good things about Hans. He was professional, organized and thorough throughout the whole process. He made everything so stress-free and fun from planning until the very end of the night. We loved that he offers the acoustic guitar for the ceremony and then DJs for the reception, and is equally fantastic at both. We gave him pretty free rein on the music choices for the reception and he did not disappoint! We had an absolute blast and Hans was a huge part of that.

He was so helpful with planning and is extremely knowledgeable about all things wedding and helped us with so much more than just the music - he really knows exactly what he's doing. We would give him 10 stars out of 5 if that was an option. If you are looking for the total package, you can find it in Hans.

Lawrence & Andrea's Review from theknot.com - June 12th, 2022

“The entire time he was an absolute professional and we received many compliments about the Hans as our DJ/Host”

We hired Hans to DJ our wedding and could not be more impressed with him! He is professional, incredibly adaptable, and has great taste in music. When we were looking for a DJ we were primarily looking for someone who was experienced, comfortable directing our wedding as MC, and who had a broad taste in music. From the very beginning, Hans impressed us with his communications, organization, and his very easy-going demeanor. He gave us a thorough wedding organizer that helped us fill in some of the gaps of our wedding plan and helped us establish some of the initial songs and atmosphere of the wedding. We met in person and we were able to talk over the organizer and listen to some collections he has built to determine the feel of our reception. We had some “Must Play” Songs in mind and some pretty strong “absolutely never play songs” and he took them both in equal humor and provided suggestions and excellent music to fill in the gaps.

In terms of directing and MC’ing our wedding, I really cannot speak more highly of Hans. We made some adjustments to our plan in the final two weeks leading up to the wedding and he took these in stride and even helped to make them even better than we had envisioned. He is a true team player, and helped everyone involved in the ceremony feel prepared and ready to sound our best. He worked incredibly well with the photographer and even helped direct the reception /dinner when the caterer failed us spectacularly.

The entire time he was an absolute professional and we received many compliments about the Hans as our DJ/Host. I am so glad we hired Hans for our wedding, and highly recommend him to everyone! He will be 100% on your team from beginning to end, helping you plan for the perfect day and being ready to roll with the punches if something goes awry. Thank you again Hans, for everything!

Tim & Elle’s Review from [theknot.com](https://www.theknot.com) - June 2nd, 2022

“The dance floor was filled all night!”

Hans was great both as a vendor and as a DJ. He was happy to let me be as involved or not as I wanted with music selection and make the night bespoke to our interests. I wanted to be very involved with the music choices so we made a few playlists for the night. Hans took those and filled in the gaps to make a great night of dancing. He was a killer mixing song to song and a had sense for flow through the night itself. He listened to my requests and made suggestions where needed to

guide us. Best compliment I can say is the dance floor was filled all night! Thanks
Hans

"Hans is the total package!"

As a musician and DJ Hans is the total package! We received SO many compliments on his performance, and on the great music that was played throughout the reception. We can't recommend Hans enough :)

Molly & Matthew's Review from [theknot.com](https://www.theknot.com) - June 10th, 2022

"He was a great communicator, well organized, and understood the whole process"

Hans is a true professional and the total package. He helped make our wedding extra special from performing beautiful music during the ceremony to DJing the reception. It was the perfect mix for us. He was a great communicator, well organized, and understood the whole process which really helped take the stress off us. He was really friendly to all our guests and had a great relationship with our other vendors which was a nice added benefit. Thank you Hans for helping make our wedding day so special!

Tom & Talia's Review from [weddingwire.com](https://www.weddingwire.com) - June 7th, 2022

"I'm so grateful to have worked with such a talented and wonderful person!"

We hired Hans to handle music at our wedding, and couldn't be more pleased with the result. Hans was PERFECT, and the entire night was a smash hit. I'll walk through the experience from start to finish.

Hans came highly recommended by other vendors we were working with for our big day. First off, in meetings Hans was professional and quick to reply to our emails and phone calls. He established clear lines of communication and outlined expectations from us to that we could get him what he needed to do his best job. Hans was incredibly easy to work with, and we were able to nail down the details

with ease. He helped solve some of the problems that stumped us during the planning phase. As a DJ with many years of experience, he knows the typical flow of these events and where to make personalized adjustments. Hans was flexible with us sharing our playlists and music selection. He knew where to compromise and where to be firm with what would be best for the party. This was really helpful and made both my partner and I feel like we were in good hands during planning.

On the day itself, Hans was set up and ready to roll. We truly did not have to think about a thing. He had everything taken care of. Hans had also worked with our venue and was familiar with the staff. A huge plus.

Hans played acoustic guitar before our ceremony began, and while we walked out to the altar. This was a wonderful thing to have, and added an intimacy to our ceremony. It's so great that Hans also offers this along with his DJ services.

Hans provided music for the cocktail hour which was outside. We provided him a playlist of songs that we liked, and he handled the rest — weaving together a tapestry of music that provided the backdrop for our guests to mingle. Hans is skilled at track selection and keeping the vibe going.

During the reception and dinner, Hans seamlessly handed mics out for speeches and kept the flow of the night going without a hitch.

When it came time for dancing, Hans's skills as a DJ again shined. I don't think there was even 1 minute where there weren't people grooving on the dance floor, and many guests came up to us throughout the night to compliment the music and skills of the DJ. The vibe was just right, and kept going until we had to close down for the night.

In summary — Hans was the perfect DJ for our wedding. I can't imagine working with anyone better. It's a night we will remember forever, and I'm so grateful to have worked with such a talented and wonderful person! If you choose Hans to handle your event, know that you are in very capable hands!

Nicole & Mike's Review from [weddingwire.com](https://www.weddingwire.com) - May 23rd, 2022

"Highly Recommend as guitar and DJ combo!!"

We had a very positive experience with Hans and highly recommend him for your wedding guitarist / DJ!! Hans is very professional, easy to work with, responsive, and we were very happy not only with the planning, but he did an excellent job day of!! He played beautiful ceremony guitar and kept the night flowing perfectly! In planning for our wedding, Hans has a questionnaire that we reviewed together and he had great suggestions for the schedule, realistic times for things, songs in areas we were stuck, and all of that was very helpful!

Throughout the night, he kept the guests informed as needed, but was not an overbearing DJ, which is what we were looking for. We really enjoyed working with him and highly recommend Hans!!

Rori & William's Review from [weddingwire.com](https://www.weddingwire.com) - April 5th, 2022

"Hans MADE our wedding a success! EXCELLENT to work with!"

Hans went above and beyond for our wedding! He played guitar live at our ceremony, he made sure everyone transitioned seamlessly from ceremony to cocktails to reception. And, he was an EXCELLENT communicator throughout the entire night. My sister sang our first dance song and he went above and beyond to coordinate with her and make the event a success. If you are thinking about hiring him for your wedding, you absolutely will not regret it! We 10/10 recommend him!

"Absolutely amazing!"

We hired Hans to be the DJ for our wedding and he was absolutely amazing! He was so professional and played amazing music that kept our guests dancing all night. He was in touch through the entire process leading up to the wedding and the day went perfectly as a result. I highly recommend having him play the processional and recessional on acoustic guitar- he is so talented and it's breathtaking. Thank you, Hans, for everything!!

Wendy & Blake's Review from theknot.com - February 28th, 2022

"He made the process so easy"

Hans was exceptional, played amazing music and I loved that he played the guitar for our ceremony music. He made the process so easy and was the best choice for our wedding. highly recommend if your looking for a DJ for any occasion. I would definitely have him DJ for us if I needed one in the future.

Kendra & Cody's Review from theknot.com - February 22nd, 2022

"Hans is the best ever!"

Hans is absolutely awesome!! He is incredibly talented and such a genuine person. Hans made himself available for phone calls through out the whole process and made an effort to determine what we wanted on our wedding day. He did such

a great job reading the crowd and keeping the dance floor busy all night! Guests loved the acoustic guitar during the ceremony as did my husband and I. It makes the ceremony that much more special. I would highly recommend Hans if you're looking for a talented DJ who has lots of experience!

Kelsey & Andrew's Review from [theknot.com](https://www.theknot.com) - February 22nd, 2022

"We are so happy that we chose him as our DJ :)"

Hans was wonderful! He played guitar at our ceremony and then DJ'd the reception. He was so flexible when it came to the rainy weather, setting up sound for our outside ceremony, dealing with covid, etc. He did a great job getting the party going at the reception and we are so happy that we chose him as our DJ :)

Sara & Brennan's Review from [theknot.com](https://www.theknot.com) - February 21st, 2022

"Hans is a great 2 for 1: musician and DJ"

Hans was great. He was recommended by both our venue coordinator and our florist/ planner and did not disappoint. You can tell he has great experience in the industry as he has wedding down. Our favorite part was that he plays guitar so we were able to have live ceremony music and our DJ for the reception all in one. Our guests had a great time as he played a great diverse playlist. If you are getting married in the Tucson area, I highly recommend choosing Hans.

Katy & Kramer's Review from [theknot.com](https://www.theknot.com) - January 5th, 2022

"Hans the Wonder-DJ"

Hans was so easy and pleasant to work with. We chose Hans because he plays guitar during the ceremony, which is a skill that sets him apart from a sea of DJ's. We didn't budget for live music but to have it included with his services was so special and elevated the entire experience. All of his equipment worked flawlessly (I can't think of anything more stressful than technical difficulties). During the reception he got the party going and kept it going. He is very knowledgeable about how to put together a great playlist from a few suggestions. Book him before it's too late!

Charlotte & Jesse's Review from [theknot.com](https://www.theknot.com) - January 2nd, 2022

"Amazing Musician!"

Hans is fantastic! We couldn't have asked for a better musician and DJ for our wedding in Tucson. He was easy and fun to work with, and put a lot of care into making sure he understood what our vision was, and what songs we definitely did or didn't want. He also took the time to walk me through how the ceremony and reception would flow, which put my mind at ease. It was clear he has a lot of experience and knows what he's doing. He played the guitar beautifully during our ceremony, and it was so special for us to be able to have live music- it was like a fairy tale! We had a blast dancing at the reception. It was over way too fast. We would recommend Hans to anyone!

Shaina & Carlos's Review from [theknot.com](https://www.theknot.com) - December 17th, 2021

"The perfect choice for your wedding"

When we were stuck looking for a DJ last minute we couldn't have asked for anyone better! He was willing to work around our hectic schedules to plan out everything and was an absolute joy to work with. He ensured everything went perfectly the day of. And, perhaps most importantly, he took our suggestions and requests and created an awesome playlist that got people dancing. Thank you again for making our day even more special.

Brooke & Tim's Review from [theknot.com](https://www.theknot.com) - November 16th, 2021

"CALL HIM IMMEDIATELY"

Hans was our DJ and guitarist at our recent wedding in Tucson. He was amazing! Our guests loved his music choices and he is so talented on the acoustic guitar. More importantly he is so easy to work with. My now husband wanted to shag through music selections prior to our ceremony and Hans was more than willing to hop on a phone call with us to walk through the entire night. Everything was amazing and we are truly blessed he was able to be our DJ. CALL HIM IMMEDIATELY- run (don't walk) to your phone if you are booking your wedding vendors!

Kay & David's Review from [theknot.com](https://www.theknot.com) - November 16th, 2021

"Amazing Musician!"

Hans Hutchison was a fantastic addition to our wedding! I wanted to have live music during the ceremony and also wanted a DJ. Hans delivered on both and we couldn't be happier with his performance! The ceremony music was beautiful and he kept everyone dancing during the reception. I would definitely hire Hans' again and highly recommend him!

Carly & Kayne's Review from [theknot.com](https://www.theknot.com) - September 18th, 2021

The Single Best Wedding DJ

Hans was the best DJ we possibly could have asked for! Not only was he a joy to work with but he also was incredibly responsive and professional. He always responded to us and our family quickly and was more than helpful when we gave him a four-hour-long list of music. We can't say enough good things about him, everyone in the family loved him and loved his choices in music and what he played and had a great time dancing. Hans was incredibly nice and well kept and it was a personal joy to get to talk to him as much as we did. Thank you so much

again for everything you did and for accommodating us when you could. We will honestly never forget you and how special you made our day!

Caitlin & Hunter's Review from [weddingwire.com](https://www.weddingwire.com) - September 14th, 2021

Hans is everything you would want in a DJ. Period.

Classy and multitalented: Hans played a beautiful acoustic piece at the beginning of our wedding ceremony and later in the night, DJ'd a rave style dance party at the after party of our reception at our request. Tell him what you want and he will deliver! He also dresses to impress, which is good for any occasion.

Good music taste and judgement: Hans is happy to accommodate your guests' must-have song requests, while making the intelligent judgement-call to not let your drunk uncle dominate the playlist.

Understands Crowd Vibe: Hans can quickly figure out what music the crowd enjoys and what to avoid. He also throws in tricks like playing a slower song to give the guests a break every once in a while if it's a lively group of dancers. I'm sure he has other handy tricks up his sleeve!

Herding Cats: Hans can take care of the most frustrating part of any large event: transitions. Anyone who has attended a large event with multiple locations/rooms knows that getting people to all go to one place can be like herding cats. Hans understands this and will facilitate the movements. He was able to help relocate our 100 drunk guests to the after party we had set up. And he made it seem easy!

Thinks on his feet: Sometimes the little things you can't anticipate come up. He is good at adapting to changing scenarios and saving the day when things aren't looking great.

Great communication: From start to end, Hans was very easy to work with! Our wedding was out of state, but he made time for virtual meetings that were effective and fun. Planning our wedding schedule and playlist with Hans was a breeze, and his expertise with weddings was very much appreciated.

We are so glad we booked Hans and wish we could throw a party with him every year! Our wedding was so memorable and fun thanks to him!

Hans is the one!

Stop looking for a DJ or musician for your wedding! Hans is the one! Seriously, Hans is the best of the best. He made our intimate 40 person wedding everything we dreamed of with sweet acoustic guitar and a perfect playlist. As our DJ, he was professional, fun, and 0% obnoxious on the mic. If you're having a bigger gathering, he won't disappoint - our friends hired him last month for their

bigger wedding and he made their day just as special as ours. Hans makes you feel like you've known him forever in the best way! Hire him and rest assured, your day will be lovely.

Alex & David's review from [theknot.com](https://www.theknot.com) - June 27th, 2021

Hans = the best!

I want to start by saying we were a pretty easy going wedding couple except for one thing—the music! My husband had a very clear vision of how he wanted the soundtrack for the night to go and had some different preferences for cocktail hour vs. dinner vs. dancing. We talked to a few DJs who did not really seem on board for collaborating and pretty much said “you can give me a no-play list and I’ll do the rest” (which didn’t really work for what we wanted).

Then we talked to Hans. He was a Godsend! From the very first conversation, he totally got what we were looking for and seemed truly excited to work with us. He got our vision and really knows his stuff! He was able to suggest other music that meshed perfectly and checked in multiple times before the big day to make sure everything was coming together perfectly. He also provided all the equipment and went to our venue beforehand to make sure he was prepared with everything he would need as there were multiple locations needing sound throughout the event.

From the very first second of the ceremony, Hans could not have been more perfect! The music was incredible, he kept the flow going, and he was beyond professional. He went above and beyond and I know our day would not have been half as fun without his touch. He is truly a blast to work with and I cannot recommend highly enough! Thank you Hans for helping make our day perfect! <3 :)

Kara & Tommy's review from [theknot.com](https://www.theknot.com) - June 3rd, 2021

He was punctual, professional, enthusiastic, and a skilled musician

Hans was so much more than a DJ! He was highly involved in helping us plan the workflow of the day. He gave us tips and insights that come with his years of experience. I can honestly say if it were not for Hans, the day would have had a lot more chaos. He took time to get to know us, our music preferences, and was very involved throughout the planning process. He showed up very early and made sure everything went smooth. He was punctual, professional, enthusiastic, and a skilled musician. He is worth twice the price quoted. I can not recommend him enough.

Lauren & Joe's review from theknot.com - May 31st, 2021

He went above-and-beyond his DJ responsibilities to ensure that everything ran smoothly

Hans was an excellent DJ and was really great to work with! He perfectly edited a song for the mother-son dance and created a great playlist for both the cocktail hour and reception. During the reception, he did an excellent job at reading the crowd and adjusting the music accordingly, which helped ensure the dance floor was crowded all night long! He even went above-and-beyond his DJ responsibilities to ensure that everything ran smoothly. When we had an issue with our transportation vendor, he offered to drive his personal car to pick-up the wedding guests. We would HIGHLY recommend Hans!

Keaton & Lucy's review from theknot.com - May 30th, 2021

Highly recommend!

Hans played guitar for our ceremony and was also the DJ for our reception. He was amazing! We met with him several times and he helped us create the perfect playlists for both events. He's very easy-going, great to work with and a very talented musician (the guitar music for our ceremony was beautiful). Highly recommend!

You will not be disappointed with Hans, book him NOW

Hans was absolutely wonderful to work with! He played a great variety of songs, and was able to edit/ revise a few songs for us flawlessly. All of our must have songs were played, and our guests raved about his live guitar skills. He was even able to play Hava Nagila at the drop of a hat for an unplanned chair ceremony which was the highlight of the night! You will not be disappointed with Hans, book him NOW before your date is booked!

Worth every penny

Hans was amazing to work with. He is so organized and thinks of things that you would have never thought of. The fact that he plays guitar during the ceremony and then DJs/MCs the reception is awesome. He was very well respected by the resort we used, their events coordinator and our wedding planner which

really says something. He helped us get and enjoy all of our different music from around the world so everyone could enjoy themselves.

Don't miss out.

Thanks Hans

Great Sounds all Around

Jessie - Hans was a pleasure to work with. He was very organized in helping us select all the weird songs we wanted to hear at different times during the reception.

Also his guitar playing during the ceremony was wonderful and really added to the excitement of the day.

Ben - Hans was an absolute pleasure to work with and listen to. He worked with us before the wedding to get the right songs playing at the right times. Although I was too excited to hear the music while I was walking down the aisle Hans guitar playing sounded great in the video and I'm super happy he was able to add that touch. Hans music and personality was great throughout the night and we were extremely happy with all his sounds during our wedding.

Alyssa & Michael's review from weddingwire.com - January 25th, 2021

He was an absolute delight to work with

My husband and I were hesitant to hire a DJ / musician for our small wedding of 18, but we are SO GLAD we hired Hans! He was an absolute delight to work with and went over every detail with us to make sure everything was just how we wanted it. His guitar was the perfect addition to our small ceremony. Part of our hesitation for hiring a DJ was the pushy DJs we have seen at other weddings. Hans was great with our guests, took their song requests and was just a joy to work with!! We would recommend him to anyone who loves music and would hire him again in heartbeat!!

From Amanda Reynolds at Hacienda Del Sol - January 3rd, 2021

A perfect DJ!

I am the Social Sales Manager at Hacienda del Sol Guest Ranch and Resort in Tucson, I work with MANY vendors and love each one of them, but Hans is special. He provides something very different with his acoustic sound as well as transition to a full DJ. He is very easy to work with and doesn't push the client with music of his choice and not theirs. If you're looking for the full package, Hans is you guy.

From Meagan Crain at Crain&Co Events - December 30th, 2020

Best of the Best

I'm a wedding planner and have the pleasure of working with Hans Hutchison several times a year. He's always one of my top recommendations and always provides the best service to our clients. He's professional, chill and really cares about doing a great job. Here's my advice... look no further than Hans :)

Ryan & Haley's review from theknot.com - January 3rd, 2021

Hans was perfect for our small, intimate wedding

Hans was the perfect choice to have as the DJ for our wedding. Leading up to the big day, he was very communicative and helped us plan what songs we would want to have played throughout the ceremony, reception, and special events like cake cutting etc. He played his own guitar for the ceremony and has a great list of songs he can play. The DJ sets the tone for the entire night, and Hans was perfect for our small, intimate wedding. We were concerned people would not want to dance, but he got the party started. He coordinated very well with our wedding planner to keep the night moving along smoothly. At the end of the night, my husband told him he would give him 6/5 stars on the review if he could.

Jenna & Kevin's review from theknot.com - November 8th, 2020

Hans is your guy!!

We hired Hans when we had to pivot our wedding plans to accommodate a smaller, more intimate wedding to account for the pandemic. Since we altered the guest list to include immediate family only, we were not anticipating any dancing after dinner but Hans totally helped bring the night to life! He was accommodating

to all guests (including our 5 + 7 year old nephews) with the music requests and knew how to read the room to play the exact music needed to have some fun. He also helped with all acoustics at our ceremony (our videographer was very thankful!) Thank you so much Hans! We hope to work with you again!

Amie & Nick's review from [weddingwire.com](https://www.weddingwire.com) - November 8th, 2020
Made our Wedding 2020!

One of the few things we knew as we watched so many things changing in 2020 was that, small guest count or not, we had to have lots of music and dancing at our wedding. Hans delivered in the most amazing way, from acoustic guitar during our ceremony to Motown classics for our Brunch reception he was able to

hit the perfect note. We danced all morning and had the most amazing time!!

Amanda & Josh's review from [theknot.com](https://www.theknot.com) - November 1st, 2020

Hans was a true pleasure to work with!

My new husband and I are fairly laid-back and not big party people, so Hans' chill vibe was exactly what we were looking for. We asked him to learn a special song to play during our ceremony which sounded beautiful, and all of our guests loved his guitar playing during the cocktail hour. We gave him a few playlists of music to play during dinner and dancing, and he did such a great job of choosing similar songs in addition to those we picked - there wasn't a single song he played that we didn't like! Hans did a great job of reading the room and helping guide the night along with the music he chose without being distracting, and was just overall an excellent choice!

Jamie & Rob's review from weddingwire.com - October 14th, 2020

Hans is the guy to book!!!

Hans was great from beginning to end!! He was extremely professional and guided us through the process of picking out music for our day. Hans also played guitar at our ceremony which was a special touch!! Hiring the right DJ is important because they help keep your night on schedule and announce all events!! Hans is your guy!!

Nick & Amie's review from weddingwire.com - September 29th, 2020

Can't have a Wedding without music

Even in the middle of COVID the one thing we knew was that we had to have music and dancing at our wedding, even if it was only 14 people.

Hans was not only amazing to work with but completely got our Sunday brunch vibe with plenty of old school Motown and other classics.

Thank you for making our wedding complete and proving that no matter what just keep dancing!!

Audrey & Avery's review - February 15th, 2020

Amazing Musician/DJ

We picked out Hans to be our musician/DJ, because we heard him sing and play the guitar locally at a Hotel Congress event, and then found out he did

weddings. He is one talented guy with an awesome laid-back character. He played the guitar as I walked down the aisle- setting the scene for a perfect goose-bump moment. He transitioned to DJ for the cocktail hour and reception- keeping the energy light and fun for the entire event. We love how professional, classic, and fun he was- creating the most awesome atmosphere on our wedding. We absolutely adore Hans and could not be happier with him being a part of our day!

Taylor & Dakota's review - February 12th, 2020

Incredible DJ and Acoustic guitar player

Hans was our DJ in January and he couldn't be the nicest most easiest going guy. He's very easy to talk to and wants to make sure your day goes well! Not only did my husband and I love him but our guests loved him. If I lived in AZ I'd recommend him to everyone I know unless he's willing to travel to Chicago.

Crystal & Danilo's review - January 7th, 2020

The party could have gone all night!

Hans was very professional, flexible, and responsive throughout the process, and we could not have picked a better DJ for our event! We communicated back and forth with a few items, and Hans was not only patient with us, but aided us make a few of those decisions! One of the highlights of the event was when he performed a live acoustic guitar set; we heard many compliments from our guests.

We had provided Hans with a list of music we would like to hear, not only he played them all, he did a fantastic job working it into the energy and flow of the evening as the dance floor was always packed. The party could have gone all night! We highly recommend DJ Hans and acoustic play as well!"

Mandana & Krystian's review - November 27th, 2019

Absolutely love Hans and his music/DJ work!

We are SO very glad we chose Hans to play guitar at our ceremony/cocktail hour and DJ our reception, for many reasons. Hans was so fun to work with during planning - he really knew all the right questions to ask, kept us feeling calm and excited and was very accommodating when we gave him a list of like 40 "must play" songs. He also went above and beyond by recording a bunch of different options for our ceremony music. His style and vibe aligned so well with what we were looking for - an alternative to the cheesy stereotype of the wedding DJ (sorry!).

The day of was just as amazing - so many friends and family complemented Hans's performance during the ceremony & cocktail hour and commented on how kind and professional he was throughout. I know he did a lot of work behind the scenes because he played music/DJ'd at three different locations that day. It was

really important to us to have an amazing and very long dance party and Hans's DJ work made that a reality. Our people were on the dance floor all night and so many people let me know they loved the playlist - not just the usual wedding list.

We truly loved working with Hans and couldn't more highly recommend him!

Gil & Molly's review from theknot.com - September 10th, 2019

Hans is AMAZING!!

He is so fun to work with. He is truly unique and stands out with his guitar skills and ability to bring more to the ceremony than anyone I've ever seen. He is amazing at what he does and you can tell he truly loves it. My husband and I had such a blast working with him and would recommend him for any event that needs a guitarist and DJ.

Lauren & Sam's review from theknot.com - August 22nd, 2019

He created an evening that was lively, fun, structured and well-orchestrated.

Hans did an incredible job! He exceeded our expectations in so many ways. He created an evening that was lively, fun, structured and well-orchestrated. He was able to choose music that kept the dancing going and was great at emceeing throughout the evening. He kept our guests informed about what was happening and when so that there was smooth transitions between events. The acoustic guitar music during the ceremony really was a special touch to the evening and to the elegance of the ceremony. He was very flexible with how we wanted the evening to go and was able to put in suggestions based on his past experience with weddings

Joe & Amy's Thank You Note - May 5th, 2019

We couldn't be happier.

Dear Hans,

Thank you so much for all your hard work and preparation for our wedding. Everything turned out great and you did a great job with the ceremony and the party. We couldn't be happier. Thank you again.

Awesome wedding DJ!

We hired Hans as the DJ at our wedding in Tucson. It was one of the BEST decisions we made!!

Hans did an amazing job managing the sound system throughout the big day (wireless mics, handheld mics, change of location between ceremony and reception, etc.). He is friendly, professional, reliable and a gentleman -- all very important on one of the biggest days of our lives!

And Hans also played the best music - especially for the dance floor!! Throughout the night, it seemed like he was managing to pick all the best songs from the very long playlists we put together, and he also picked a ton of great stuff on his own. And there was a very special moment at the very end of the night, when Hans was able to find a specific song that our guests were requesting - it was a truly great moment that we and all our guests will remember for a long time to come.

If you're looking for a DJ with experience, class and awesome taste, Hans is your guy!!

Hans,

Everyone thought the wedding was amazing. Thanks for a great job with the music/DJ activities. That dance floor had more action than any other wedding I have attended.

Great Experience working with Hans! Loved that we could transition from live guitar to hand picked songs during the wedding ceremony.

Sam and Kaitlin's review from theknot.com - December 24th, 2018

He's far more than a typical DJ

DJs are integral to successful weddings--they set the pace for the ceremony, establish the tone for the reception. Hans, as a DJ, is fantastic. But he's far more than a typical DJ. He plays acoustic guitar wonderfully and is brilliant with his communication. Need something different? Want specific songs played at specific times? Hans can pull it off with style to spare. I highly recommend hiring Hans as the DJ for your wedding. He'll bring class and poise and construct an excellent setlist that will be sure to bring your guests to the dance floor.

Ashley & Justin's review from theknot.com - November 4th, 2018

Hans was AMAZING and we HIGHLY recommend him for your wedding!

He was recommended to us by our wedding planner and we could have not asked for better! He made our day so special and played all the songs we wanted plus some other fabulous ones! He was organized and we had a few calls before hand to make sure he had a good handle on things which he definitely did! Also, when it came to making decisions (example: doing a garter toss and bouquet toss) he gave great advice and put us at ease knowing he was in charge. He definitely knows great music and you won't be disappointed choosing him for your big day!!!

Camille & David's review from weddingwire.com - October 29th, 2018

"Hans is life!" - enthused wedding guest

Hans makes the entertainment part of wedding planning easy. He is organized, professional, experienced, and fun to work with. Hans played acoustic songs during our rainy ceremony and played Over the Rainbow when a rainbow appeared before I walked down the aisle. He rolled with the punches and managed to play all the "rain" related music that our crazy guests requested after almost being rained out at our ceremony. All our guests, and I mean everyone, was out on the dance floor busting a move and Hans even managed to join the crowd a time or two. Most notable was when one of our guests managed to convince Hans to join us at the after party, the night was a nonstop dance party! Our wedding wouldn't have been the same without Hans!

Chris & Al's review from theknot.com - October 25th, 2018

He kept the night organized and on time.

Hans Hutchison was the DJ for our wedding. He was great, professional, organized and very easy to work with. Not only is he a talented DJ, but he's also a very talented guitarist and singer and a genuinely nice guy. He played acoustic guitar and sang during our ceremony and during our cocktail hour. We wanted to walk down the aisle to "The Rose" and Hans learned to play it on guitar specifically for our ceremony. During the reception, he worked in everything we wanted to hear. He played perfect music during dinner and got the crowd going quickly when it was time to dance. He has a great ability to read the crowd and keep the party moving. He kept the night organized and on time. We are so happy we chose him for our big day!

Ashley & Paul's review from theknot.com - October 18th, 2018

He is a fabulous musician, but more so a gentle soul that is great at his gift.

Hans is very professional. He is extremely talented, was able to provide acoustic guitar for the ceremony and DJ the reception. He was so calm and easy to work with. Everyone was impressed with the ceremony and then also with the reception music. I had asked to have a special song played as I walked down the

aisle, as I was having to walk without my dad (he passed away 2 years ago), after discussion, Hans agreed to learn the song on the guitar and did a beautiful job! I cannot say enough about how much I respect his talent and his compassion. He is a fabulous musician, but more so a gentle soul that is great at his gift.

Lauren & Kyle's review from theknot.com - September 18th, 2018

Hans was the perfect choice for our wedding!

Hans rocks! I really wanted an acoustic guitarist for my southwestern-y ceremony and my now-husband found Hans, who could play and DJ. I was so impressed with his professionalism! He excels in every aspect of what he brings to the table and was very thorough with our wishes for the entire evening. He even made suggestions for our day-of timeline that made our night run extra smoothly. I think he's part ninja, I don't even think I saw him until the reception! The ceremony, cocktail hour, dinner, and reception were perfectly handled music-wise. Hans was the perfect choice for our wedding!

Hannah & Phillipe's from theknot.com - September 10th, 2018

Hans takes the stress away because of how organized and professional he is

Hans is hands down the best DJ/Guitarist you will ever hire! He is extremely friendly, professional, and talented. Our families cannot rave enough about him and everything he did to help us celebrate our marriage. Planning and executing a wedding is stressful, but Hans takes all of that stress away because of how organized and professional he is. Absolutely incredible experience, thank you Hans!

Kathryn & Daniel's Review from theknot.com - June 27th, 2018

Thank you for everything you did Hans, I couldn't have asked for a better DJ.

Hans was amazing! My favorite part about him was that he could play the guitar for our ceremony and then DJ for the reception, was so convenient to have him there for both! Hans was so humble and really listened to everything we wanted. With all the requests from the guests I know it was hard for him to play all the songs on our original list but he balanced it well. Thank you for everything you did Hans, I couldn't have asked for a better DJ.

AMAZING!

AMAZING! Hans has a very calm demeanor that worked really well with my personality which I loved. He has great guitar songs to choose from for the ceremony which added such a special touch to the wedding. He did not play a single song the entire night that I did not like, which is incredible! Very accommodating, organized during the reception, and just all around a wonderful and stress free experience :)

Nicole & Adan's review from [theknot.com](#) - December 22nd, 2017

Hans was our ceremony guitarist and DJ for our wedding at La Paloma on 12/16/17. He was incredibly accommodating before and after our wedding and helped perfect our timeline beforehand. He did a phenomenal job playing for the ceremony/cocktail hour and was fantastic DJing for the rest of the evening. He kept everyone entertained and the transition between music was flawless. He is such a sweet guy and we are so glad we chose him for our wedding. His guitar playing is very romantic and perfect for a wedding ceremony. We felt like we had known him for years by the end of the night and he got along with everyone attending our wedding. He made everything so much fun!! I will definitely be recommending him to anyone who is looking for a DJ and a little something extra! :) We could not ask for more!!

Danielle & Troy's review from [theknot.com](#) - December 13th, 2017

I recently had a destination wedding in Tucson, AZ and I was extremely nervous planning a wedding from afar especially when trying to decide our vendors such as the DJ. Hans was great to work with!! He was easy to get ahold of and had great ideas towards ceremony music, etc. He was excellent on the guitar during the ceremony! My guests absolutely loved Hans as he took requests and kept the party going on the dance floor. He stayed over the time he was hired just to accommodate our guests music requests. Very personable! Highly Recommend Hans!

Wes & Kathleen's Review from [theknot.com](#) - November 14th, 2017

Hans is AWESOME and has my highest recommendation!!!! He basically did it all for us the entire day of: played guitar, mc'd, and DJ'd the night away. He was in contact with the staff at our venue beforehand and made the entire day go seamlessly, elegant, and perfect! We didn't have a care in the world. Hans is also extremely sweet, kind and talented! His personality, professionalism and experience were all huge assets and helped make our day the best day ever. His mellow disposition and overall easygoing attitude made us and all of our guests feel relaxed, comfortable and just ready to have fun! At the afterparty he kept everyone dancing and having a BLAST! We love Hans and are SO glad we chose him to be our DJ, he made the entire process extremely easy and it was affordable. THANK YOU THANK YOU THANK YOU HANS!!!!!!!!!!!!!!

Tonya & Matt's Review from theknot.com - April 13th, 2017

Hans was by far one of our favorite vendors the day of our wedding!!

He played guitar for our ceremony and DJ'd and MC'd for our reception and he was absolutely fabulous! He kept everyone dancing and played the PERFECT music during our cocktail hour and dinner. Hans had every detail covered for us, from providing wireless mics for my officiant and groom, to cutting/editing the music for the entry and special dances, to making sure he pronounced everyone's names correctly (it's all in the details!) I would highly recommend Hans to any and EVERY bride and groom in Tucson that's looking for someone whose truly a one-stop-shop for all things music for their wedding. If we ever need a DJ again, for any event, we would look no further than Hans Hutchison.

Dara & Alex's review from smashingtheglass.com - April 13th, 2017

Here is an excerpt from an amazing blog at...

<http://www.smashingtheglass.com/a-cactus-themed-jewish-wedding-at-tubac-golf-resort-arizona-usa/>

Our DJ Hans Hutchison was awesome. He had set up speakers during our badeken, and then transitioned to playing the acoustic guitar during the ceremony. He played Can't Help Falling In Love as guests took their seats, and our processional began.

Canon in D was played as I walked down the aisle, escorted by my parents, and Here Comes The Sun as the recessional. Our first dance was Hey Ho and we immediately jumped into the hora once it was done!

Our playlist was a mix of pop, '80s, and fun songs that kept a majority of our guests on the dance floor until the very last song! We had songs like Party in the USA, some T Swift, Hey Ya, a bit of Flo Rida, Macklemore, Usher, etc.

Of course, we slowed it down a few times so the 20somethings and 30somethings could make room for our elder guests to slow dance. Hans also included uplighting in his packaging, which I would highly recommend to any bride. It made the room so much more dramatic and romantic!

Phil & Mallery's review from [theknot.com](http://www.theknot.com) - April 5th, 2017

Hans was absolutely seamless to work with. His price is the most reasonable out there and he does twice the work that other "companies" offer. We used him for both the ceremony and the reception and could not be more pleased with his service. His solo guitar is top notch and he was beyond helpful in getting our reception playlist and events songs together. His working relationship with Tubac Resort was a huge plus when planning a wedding from out of town. We would recommend Hans to ANYONE in Tucson looking for a full package music stop for their wedding!

Emma & Xavier's review from [weddingwire.com](http://www.weddingwire.com) - March 9th, 2017

Anastasia & Matt's review - December 22nd, 2016

My husband and I weren't sure we wanted to hire a DJ for our wedding as we are picky about music and didn't want a cheesy vibe. We were lucky to come across Hans' information online and after speaking with him on the phone, determined he would be perfect for us.

He listened to our concerns and took our playlist requests seriously. His announcements and introductions throughout the night were professional and fun, but not over-the-top. He was great with the crowd, helping everyone get on the dance floor. In addition to his DJ'ing, we had him play guitar for our cocktail hour, also lovely.

I felt like Hans and I had a nice collaboration from the start and I'd highly recommend him for a wedding or other type of event.

Hi Hans! Greetings from Sedona! Sending over a quick and informal thank you for being an absolute pleasure to work with and how awesome you made our day. Everything from the last minute bedekin music swap, to the beautifully played guitar during the ceremony, to keeping everyone dancing and happy until the last song (literally), to the sparkler send off! Mario & Leslie's review - October 19th, 2016

Hans Hutchison is an outstanding musician, DJ and hosting personality. He recently played acoustic guitar and DJ'd for my wedding and the entire celebration was as perfect as perfect can be. Hans was prompt in setting up his equipment ahead of time working both with the facility and wedding planners to insure music was playing when the party arrived. His choice of music varied between Motown, HipHop, Salsa and Pop favorites that kept the guests enjoying the party while also eagerly anticipating what would play next. When he played live, his covers of the Ventures, Prince and Bob Dylan eased the crowd into some of his original songs like "Steps" and "Sunrise". All songs coming from his guitar were masterpieces. His choice of music made the wedding ambience romantic and festive, both, qualities wedding guests will love. Hans also commanded the microphone during times of Best Man/Maid of Honor speeches easily getting the guest's attention and smoothly transitioning into other parts of the celebration. Our wedding was one of the best days of our lives and a big part of it was Hans' professional music presentation. I highly recommend Hans Hutchison as a musician, DJ and host.

Derek & Courtney's review - October 10th, 2016

Hans played guitar at our wedding ceremony and also DJ'd the reception. He did a wonderful job at both, with many guests commenting on how good he was. He deftly managed the pacing and the feeling of each stage without making himself the center of attention, and he was eager to work with us to customize our music choices. I would be happy to work with Hans again and would strongly recommend him to anybody interested in thoughtful, diverse music for their event.

Rachel & Sean's review from weddingwire.com - July 17th, 2016

Hans is so much fun and an amazing guitarist. He played the guitar during our ceremony and learned all of the songs we asked for. The ceremony was so beautiful and the guitar was the icing on the cake. He was so much fun to work with and very responsive to all of the emails and phone calls. He knows what he's doing when it comes to ceremony and everything flowed so well during our reception. We partied all night with him and had so much fun. I HIGHLY recommend Hans for all of your DJ needs.

Just wanted to send a huge THANKS from Mike and me for your guitar playing and music awesomeness on our wedding day! The guitar was beautiful, the music at every moment was perfect for the rest of the night! I cannot tell you how much it meant to my dad when you picked up on his toast and played Beyonce/ Spice Girls haha! Little moments like that people will always remember and made it so personal for us. We appreciate your flexibility at the end of the night time wise as well.

Thanks again,

Emma & Nicholas' thank you - June 8th, 2016

Thank you so, so much for your services. All of it was absolutely perfect - your guitar, the songs you chose, how easy you were to work with and how you knew what was supposed to happen and when - cause lord knows we didn't really. So thank you. It was an absolutely wonderful night and I'm not one of those people that thought it was going to be the best night of my life (cause it seems kind of depressing to think of the best being over?) - but I like to think it was sort of

towards the top of the list of best days ever. And we owe a lot of that to you because the music created the ambiance for the night and that was all you.

So thank you. Hope everything is going well for you. - Emma and Nicholas

Steve & Margaret's review - April 6th, 2016

One of the best decisions for our wedding was hiring Hans to DJ for us. We had a destination wedding, so we did not meet him prior to the wedding, but talked with him on the phone and were impressed. He was friendly and professional, which put us at ease and we knew we made the right choice. Hans played the guitar at the ceremony and provided DJ services for the reception. We had so many compliments from guests, they really enjoyed the music and had so much fun dancing the night away. We highly recommend his services, flawless and perfect, thank you Hans!

Weston & Becca's review from theknot.com - April 2nd, 2016

Hans exceeded our expectations for music and MC-ing our wedding reception. He followed our timeline to the tee and really kept the partying going! He played guitar for our guests at cocktail hour and we heard that he was amazing (we were taking pictures and missed his performance). He stayed at our reception and continued to play music for our guests, long after the groom and I left. We can't thank him enough for his services :)

Alison & Frederique's review from theknot.com - April 2nd, 2016

Hans not only played the guitar during our ceremony, played and sang during the cocktail hour, but ALSO DJ'd until 2 am for our American/French wedding! He has a very laid back approach which was perfect for us and he directed the events/evening seamlessly and extremely professionally. We had to change locations/times because of rain, but he was very flexible and adapted without missing a note (literally). He mixed in the music that we requested perfectly with his own selection during the dinner and throughout. Our dance floor was never empty and our guests all had a blast. He also was not one of those 'loud

in your face' DJs that you feel is always yelling into the microphone- presented everything perfectly without being over the top. We really could not have been happier with everything Hans did for us and for making our wedding a very memorable experience for everyone. Thank you!

Naomi & Kevin's review from theknot.com - April 2nd, 2016

Hans shifted to DJ mode and DJ'd a killer dance party.

Hans provided exceptional music for our wedding. He worked with me and my husband months before the wedding to help us understand all the components of the ceremony and helped us craft the perfect day. On the day of, Hans set up all of the audio equipment for both the ceremony and the reception. He plays guitar beautifully and the music for the ceremony was exactly what we wanted. After the ceremony Hans shifted to DJ mode and DJ'd a killer dance party. This was one of those dance parties where everyone was on the dance floor and no one wanted to take a break. None of the guests wanted to leave when the reception ended, they all wanted to keep dancing! I highly recommended Hans for your wedding entertainment, he is the best!

Jason & Amanda's review from theknot.com - April 2nd, 2016

Hans was the absolute perfect musician and DJ for my outdoor wedding ceremony and reception at Hacienda del Sol. He was the most talked about feature of the evening. Everyone really enjoyed his beautiful guitar playing during the ceremony and during cocktail hour (he sang during cocktail hour). And his DJ services were very appropriate for the relatively low-key dance floor. He artfully gauged the mood of the crowd and played songs (some rather obscure) that my husband and I requested. When planning the event, Hans was really great about accommodating my visions and adding suggestions from his experience at other weddings (ie, I didn't think I needed lights for the dance floor, and Hans politely suggested lights were a good idea-- he was 100% correct!) Hans also provided a very calming presence that had a nice effect on my wedding day jitters. No cheesy DJ vibes, no chicken dance (unless of course you request it). Hans was very professional and also personable. I highly recommend his services!

Julie & Tim's review - August 3rd, 2015

I recently had the pleasure of attending a wedding at Skyline Country Club. Hans played guitar and sang for the ceremony and cocktails and DJ'd the reception. The music for each part of the wedding was personalized for the bride

and groom and perfectly matched and built upon the emotions of the guests to help create an amazing night for all that attended. Music can make or break an event and I am so glad the bride and groom chose Hans to provide the music, he was able to keep the dance floor packed all night! Thank you Hans.

Paula & Tom's review - October 18th, 2014

I hired Hans at the recommendation of Tubac Resort to DJ for my wedding reception one year prior to the date. Little did I know how much I short changed myself from his true talent set. As a DJ, he is great. I wasn't sure, didn't check any references, just trusted the event coordinator in her advice. Then she quit 3 weeks before my event and I wasn't sure if her advice was sound. I was pleasantly pleased with his professionalism and attention to detail. He offered up more than just DJ service, he offered to emcee the reception and provide live music for our small ceremony. I declined all those services and wish now I had taken him up on his offer of live music at my ceremony. I just wanted great dance music for our party and he delivered. He shows up on time, dresses well, mingles with guests and plays the songs that we asked for as well as the requests from our guests. Our guests loved Hans and applauded him at the end of the night. We wish we could have stayed longer and danced more. He has a whole book of songs he can perform for your event as well as an outstanding digital library. The twinkle effect lights added to the festive mood of our party dance floor and the speakers were awesome and plenty for our venue. I recommend him to anyone planning a special event that needs quality DJ, live music and professionalism.

From the Father of the Bride of Craig & Ashley's wedding - January 5th, 2014

"Hans performed at my daughters wedding ceremony, the pre-dinner reception, and then at the dinner reception event. His playing and vocals are just beautiful. For the dancing he was superb at judging the party and picking the right songs. Everyone had a really great time, and he made it the perfect event. We all seemed to bond with him like we've known him forever. I could not recommend anyone more highly. Thank you Hans!"

Dallas & Erin's review - January 5th, 2014

We worked with Hans planning our wedding this past July. He's a flexible guy, which was great since we were planning from long distance. He was organized, made sure he understood how we wanted things to flow, our special songs, the timeline. We really felt like we got the best of both worlds, live acoustic for the ceremony, and then a DJ for dancing. He has a good style; upbeat, able to keep things moving without being obnoxious or overdone. Hans really helped create the vibe that we were going for, and we couldn't have asked for a better experience!

Sylvia & Brett's review - October 13th, 2012

We recently hired Hans for our wedding in Tubac, AZ and we couldn't have been happier with our decision. We had looked into a number of DJ's in the Tucson area and we couldn't make a decision. Then our wedding planner suggested Hans and so we gave him a call. After only one conversation we were convinced this was the DJ for us. We were planning our wedding from out of state and we never had the chance to meet with Hans until the day of our wedding but he always kept in touch with us through calls and email. He sent us a music list and a music packet to fill out so that he knew exactly what we were looking for, he always had great suggestions and even with the little direction that we gave him he was able to capture the mood of our ceremony and reception perfectly. Also his guitar skills are amazing and my guests raved about the cocktail hour entertainment. Choosing Hans was the best choice we could have made. He made our wedding day wonderful and stress-free.

Sincerely, Brett & Sylvia

Jackie & Tobias' review - October 9th, 2012

"I really can't thank you enough for doing such a phenomenal job performing and DJing at our wedding. In all the hustle and bustle that goes into planning a wedding, it was such a relief to work with someone who was so easy going, understood our style with little direction, and was responsive to our questions. You really did a great job reading the crowd and I couldn't have picked out the playlist better myself. I literally caught myself saying, "I love this song" every time one came on! :) Your acoustic performance during our cocktail hour was a great touch too, and a unique addition that I don't think any other DJ can offer. You're very talented and I really wish you the best and the most success with your music and DJing."

Michelle & Brendon's review - April 30th, 2012

Hans Hutchison is an incredibly talented individual who plays absolutely gorgeous guitar, and to our complete delight, brings so much more by simply being who he is. ***He was a total joy to work with*** and quite unexpectedly, Hans added something so special to our wedding that I truly cannot imagine having the evening without him. ***He is calm and easy going while being completely professional and competent. A bride needs this!*** He brought heart to our intimate ceremony and then when it came time to DJ... he was so much fun! He subtly guided the energy of the evening without being overbearing, and everyone loved and connected with him. It was so fun, such a blast! Lots of singing and lots of dancing! We are so grateful we found him and look forward to any other time we can hear him play or be and work with him again.

Thank you, Hans! - Michelle Marking-McGraw
