

ARIEL GRALD

INTERNATIONAL THREE-DAY EVENT RIDER

Based out of Vass, NC, Ariel Grald has developed a string of world-class horses to great success over the years, including current 5* mount Leamore Master Plan. As a rider on the US Eventing High Performance list from 2022-2023, Ariel also rode for Team USA in the 2022 FEI Eventing World Championships at Pratoni, where she finished 11th. Her other recent accolades include a win in the Plantation Field CCI4*-S in 2023 and a 3rd place finish at the Luhmühlen CCI5* in Germany in 2021.

Ariel believes in developing long-lasting and trusting partnerships with each of her horses. Her passion for producing her horses from the very beginning has led her to great success with a current talented string of both young and established horses. With an emphasis on groundwork, flexibility in training, and an individualized approach, Ariel has found great success in working one-on-one with her students and horses in order to better understand their unique needs and build personal relationships.

Jump groups of 4-5, minimum 20-24 riders
\$150/day per rider

Flat private lessons, day before if possible
