Here is a little background information about our First Chapter Friday title and its creator. Feel free to add your own notes and thoughts in the bottom box.

### What's It About?

For as long as she can remember, Katarina has been a part of the family business-thieving. When Kat tries to leave "the life" for a normal life, her old friend Hale conspires to bring her back into the fold. Why? A mobster's art collection has been stolen, and Kat's father is the only suspect. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. The only solution is to find the paintings and steal them back. Kat's got two weeks, a teenage crew, and hopefully enough talent to pull off the biggest heist in her family's history-and, with any luck, steal her life back along the way. With its glamorous international settings, intriguing suspense, complicated cons and even more complicated romance, Heist Society is stealing the hearts of Ally Carter fans everywhere.

This book is the first in a series of 3.

### Who Wrote It?

I was born and raised in Oklahoma. My mother was a teacher and my father a farmer and rancher. I have one older sister. In high school, I was very active in a number of student organizations and graduated as co-valetictorian of my senior class. I then attended Oklahoma State University and Cornell University and worked for several years in the agricultural industry before writing full-time. My books have been published in more than twenty countries and have appeared on best-seller lists from the New York Times, USA Today, the Wall Street Journal, Barnes and Noble, IndieBound, and Bookscan. They have sold over two million

copies in the United States. I am one of the luckiest people in the world... I'm able to do the job I wanted to do when I was a kid, and I am back living in Oklahoma.
