WEDDING PHOTOGRAPHY
INVESTMENT GUIDE

HEYYY!

I'm Teagan Nicks, owner + lead photographer of Teagan Marie Photography. Besides being a photographer, I'm a wife to the love of my life (Tristan) + a mother to three of the sweetest kids: Koby, Aliyah + Skylar.

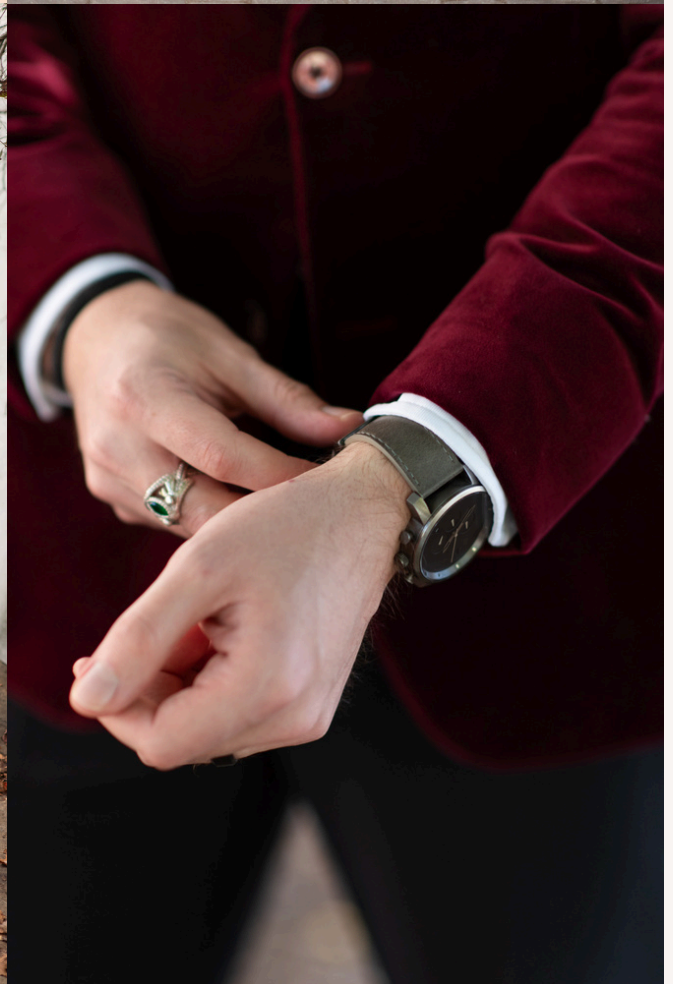

Most days you can find me spending time outside in the sun (or sitting inside by the fire if it's cold outside), baking with my kids, or researching about holistic wellness. When I'm not capturing or editing photographs, I'm volunteering at my local church or homeschooling my oldest!

I really love to romanticize everyday life. You'll find me + my family eating dinner by candlelight, having random dance parties, or sitting outside with a yummy drink, watching my kids dig in the dirt.

One of my very favorite things to do is drink a fresh cup of coffee in the sun while reading a good book. While I'm a homebody at heart, I also love to travel + see the world! I've been to Nicaragua, Haiti, Jamaica, Costa Rica, and most recently France! My next dream is to visit Italy!

I hope this investment guide is helpful to you as you decide who your wedding photographer should be. I would really love the opportunity to meet with you to so I can understand what your expectations are, you can get a feel for what working with me would be like, and we can both make sure we would be a good fit for each other!

THE PLANNING PROCESS

6+ MONTHS OUT

We'll work together to get your engagement session scheduled as soon as possible, so that you'll have photos to use to announce your engagement, send save the dates, etc. I'll send you a style guide in advance of your session that will help you two plan outfits!

3 MONTHS OUT

We'll meet for coffee (or schedule a Zoom call if you're not local) to go over your wedding details. We'll chat about potential locations for formal portraits, the timeline for your wedding day, + so much more! If you've hired a wedding planner + prefer to hand off these details, I'll schedule this meeting with them!

1 MONTH OUT

I'll send over a questionnaire to gather the rest of the details I need from you in order to best serve you on your special day! I'll ask about what family formal portraits you're wanting captured, if there are any family dynamics I should be aware of, + other details I'll need to make the finalized version of your wedding day timeline.

THE PLANNING PROCESS

2 WEEKS OUT

I'll provide you with the finalized wedding day timeline so you can rest assured that there is time for everything you're wanting captured.

WEEK OF

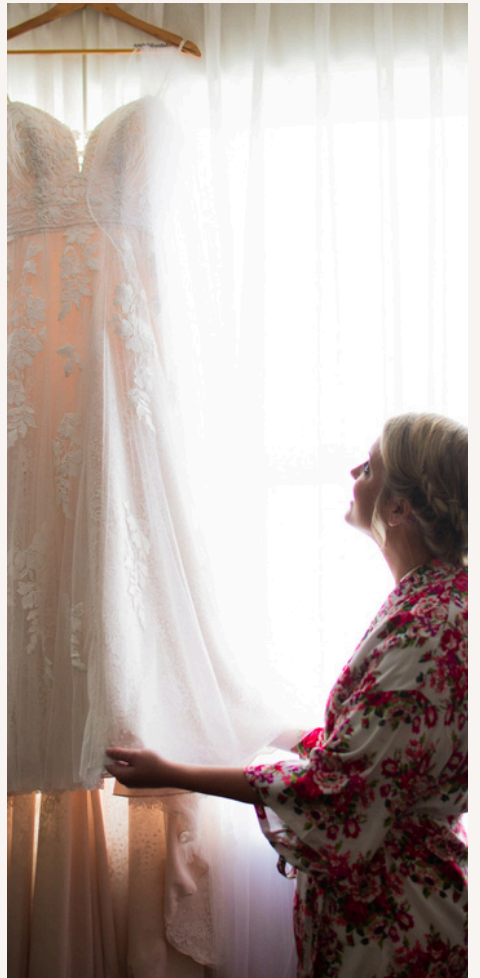

I'll send you a quick email (I know that week can be such a busy one!) reminding you of what items to gather in a bag so that I can easily capture them in detail photos when I arrive the morning of your wedding

24-48 HOURS AFTER

You'll receive an online gallery with a handful of sneak peek photos from your special day!

6 WEEKS AFTER

Your full online gallery will be ready for viewing, sharing, + printing images! Your gallery will come with access to an online store where you can print your images directly through a professional printer so you receive the highest quality photos + albums!

FREQUENTLY ASKED QUESTIONS

Q: Where are you located?

A: I'm located in the Myrtle Beach area, but I'm willing to travel! Let me know if you plan to have your wedding elsewhere and I'll include the cost of travel in your proposal. My family is located in the Chicagoland area, so there are currently no additional travel costs to that location.

Q: How do travel expenses work?

A: There is no extra charge for locations within 60 miles of Myrtle Beach, SC. Anything beyond that, if it is within driving distance, is charged at the current mileage rate set by the IRS. If the location is further than driving distance, I will include travel in your custom proposal!

Q: Do you help in the planning process?

A: For engagement sessions--yes! I'm happy to give guidance for a location + outfit choices. For weddings--I provide a custom timeline, but am not typically involved in the planning process beyond that.

FREQUENTLY ASKED QUESTIONS

Q: What if you can't be at our wedding?

A: If I am unavailable on your date, I will let you know when I reply to your inquiry. Once booked, if an unforeseen circumstance happens that prevents me from being at your wedding, you will have the option of having one of my associates shoot your wedding for a discount or you may cancel the contract.

Q: Do you give out unedited photos?

A: I do not give out RAW images (unedited photos). I hand edit your photos so the final images you receive are the absolute best quality! Please make sure you have reviewed my work via my website, Instagram, and full galleries, as the final images you receive will be in the same style.

Q: Will you photoshop us?

A: I keep any edits I may make to a minimum, as I believe people are beautiful just as they are. If there are specific things that you want edited, please make sure to let me know when booking. Any extensive editing you may require is charged on a per photo basis.

FREQUENTLY ASKED QUESTIONS

Q: What happens if the weather is bad?

A: I highly recommend having an alternate plan in place if you are having an outdoor ceremony or reception. I have clear umbrellas we can use to still sneak in some outdoor bride + groom photos, even if it's raining a little bit ;) Otherwise, we'll take portraits indoors, utilizing flash if necessary.

Q: What if we cancel/reschedule our date?

A: The retainer you pay upon booking is non-refundable, even in the event of cancellation on your behalf. There is no additional fee if you need to re-schedule your date. However, you will be subject to what my current investment for weddings are at the time of re-scheduling.

Q: How do I book you?

A: The next step is to set up a time for us to meet! After we meet, I will send you a contract + invoice. Once you sign the contract + pay the non-refundable retainer, your date will be officially booked in my calendar!

NEXT STEPS

I love to meet with every couple prior to booking. Choosing your wedding photographer is a big decision, and I don't take that lightly! We'll want to make sure we are a good fit for each other. This way I can understand what your expectations are and you can get a feel for what working with me would be like!

If you are local to Myrtle Beach, I think it's so fun to meet in-person over a cup of coffee (or tea)! If you're not local, we can meet over Zoom!
