Hi Commissioner Musolf,

I wanted to reach out to you about the confirmation of you and other Commissioners signing NDA's and the Hermantown community being very outspoken. To tell both sides of the story, we have heard from Commissioner Grimm and the community, but I would appreciate the opportunity to tell your side, along with the other commissioners who also signed. By any chance, would you have availability today (10/14) for either an on-camera or Zoom interview?

Thanks,

Dominic Vitiello
