**Subject:** Phone Call from Mike Steffes

---

Good Morning Commissioner,

I took a phone message this morning from Mike Steffes. His number is 651-341-8076. He would like a call back.

He was calling because he wanted to discuss the non-disclosure agreements and the data center. He acted like he may know you and didn't want to share his address.

Let me know if you have follow-up questions! I'm looking forward to lunch tomorrow.

Beth
