THE BARN

Our restored barn is original to our 1860s homestead, with a beautiful covered patio for additional seating and views of the farm & wildflower meadow. We can seat a total of 200 in total, across the two areas.

CABIN & MEADOW

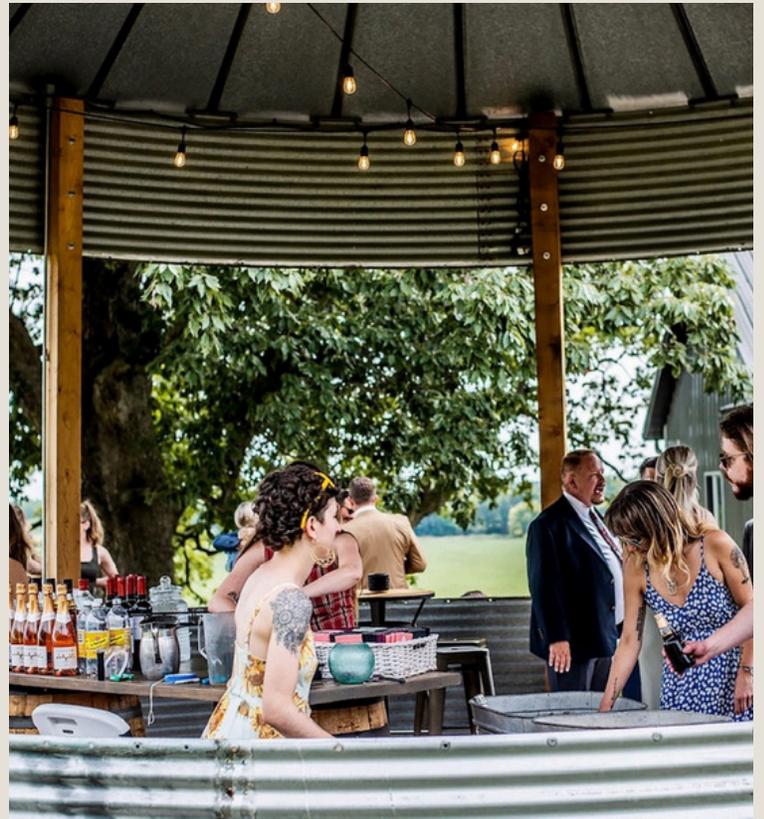

The cabin is right next to our forest and wildflower meadow. It provides a space for getting ready, bathrooms for guests, and a space for couple to stay. The meadow blooms all season long and is the perfect spot for walks and photos.

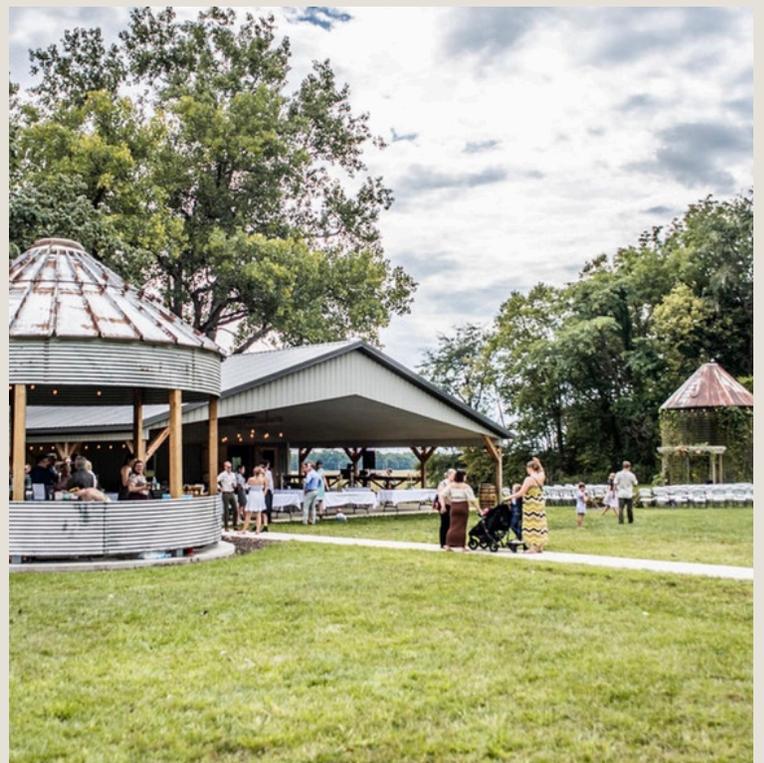

THE CORN CRIB

Our corn crib arbor area is a special backdrop for your ceremony vows. It is original to the farm, and landscaped beautifully with climbing roses and vines like clematis and hops for all season greenery.

GRAIN BIN BAR

Beside the barn, we have a grain bin bar, complete with cocktail tables and bartop. Use this area for bar service or a special hangout to view the gardens, lawn games, and dancing.

ALCOHOL

Alcohol is allowed; however, we require clients to hire a mobile bar service to serve wine, beer & mixed drinks. We will provide a list of our recommended local mobile bar services and catering companies that offer full beer & wine service. They must have an Indiana liquor license and liquor liability insurance.

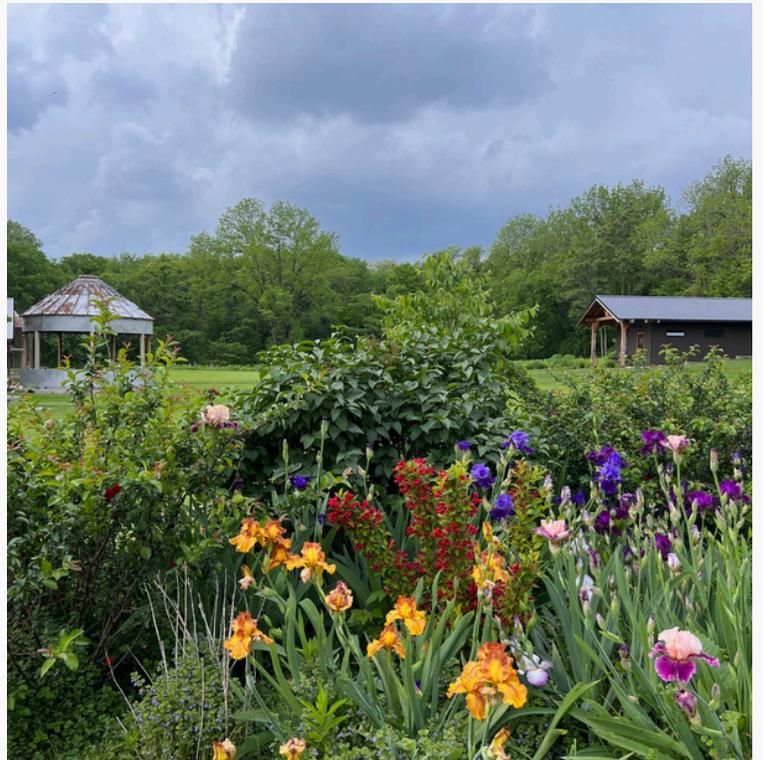

PARKING

We provide parking attendants for all events so you don't have to worry! All parking happens in the yard beside the house and rose gardens. We have a cart we can use to transport guests if needed, and those with mobility concerns are directed to be dropped off right at the barn.

INSURANCE

We want you to enjoy a stress-free wedding day! All couples are required to purchase event insurance from Smith Sawyer, our own trusted agency. The cost of this single day policy is around \$200. After you complete your contract and deposit invoice, you will receive an email with further instructions to purchase your policy.

FLORALS

Flowers are everything to us around here! Catey Heritage is a full service floral design studio, in addition to being a flower farm & event venue. We design for offsite weddings, and would love to design for you! All wedding packages include a custom bridal bouquet & boutonnière for the couple.

Other florals can be added through a customized floral proposal. This process includes sharing inspiration images, a phone or in person consultation, and a proposal including a moodboard, color palette, and itemized quote.

OUR BOOKING PROCESS

The Wildflower Barn is located at our private residence and farm and is not open to the public; however, we will do our best to accommodate a time for you to walk through before booking.

Our booking process is entirely online via HoneyBook. You will sign your contract and pay your deposit and invoices online.

Floral details must be finalized roughly six weeks before your wedding date.

25% of your package price is due at booking as a non-refundable deposit. The remaining half of your package price is due one month before your wedding date. Payment plans can be arranged.

Floral invoice will be due in full one month before your wedding date as well.
