

How to MAKE A ROOM LOOK BIGGER

- 1 DECLUTTER. THE LESS CLUTTER YOU HAVE, THE BIGGER THE ROOM WILL FEEL
- 2 GLASS TABLES HAVE LESS OF A VISUAL PRESENCE THAN ONES MADE WITH SOLID MATERIAL.
- 3 CHOOSE LOWER PROFILE FURNITURE- ONES WITH A LOWER HEIGHT, SLIMMER LOOK
- 4 AVOID LOUD PRINTS ON LARGER PIECES. SAVE THOSE FOR SMALLER ACCENT PILLOWS
- 5 HANG DRAPERY HIGHER UP TO MAKE THE ROOM LOOK TALLER.
- 6 HANG MIRRORS ON THE WALL OR USE A LARGE STANDING MIRROR.
- 7 SOFTER HUES AND LIGHTER COLOURS. USE A MORE NEUTRAL COLOUR SCHEME ON THE WALLS AND FURNITURE AND LIGHTER WOOD
- 8 USE A FEW LARGER SIZE PIECES INSTEAD OF MANY SMALLER PIECES, WHICH MAY LOOK MORE CLUTTERED
- 9 LARGER RUGS GUIDE YOUR EYES TO THE PERIMETER OF THE ROOM, MAKING IT SEEM LARGER.
- 10 LIGHTING. THE BRIGHTER THE ROOM, THE LARGER IT WILL SEEM. YOU CAN USE EITHER NATURAL OR ARTIFICIAL LIGHT
