Mental Health Therapist-Telehealth Only

Location: Remote (PA/Surrounding States)

Job Type: [Full-time / Contractor]

Pay Structure: Starting at 60% Business / 40% Therapist Revenue Split

Position Summary:

We are a growing private practice seeking a licensed or license eligible, client-centered Mental Health Therapist to provide telehealth psychotherapy services. This is a fully remote position ideal for therapists who value flexibility, autonomy, and work-life balance. You'll deliver high-quality care to clients via secure video sessions, helping them navigate mental health challenges and improve emotional well-being.

Key Responsibilities:

- Provide virtual individual therapy sessions to a minimum of 15 clients a week (with optional couples or group therapy if within your scope).
- Complete comprehensive intake assessments and develop individualized treatment plans.
- Maintain timely and accurate clinical documentation using a secure EHR platform.
- Use evidence-based practices such as CBT, DBT, EMDR, ACT, or trauma-informed approaches.
- Collaborate as needed with other providers (e.g., psychiatrists, primary care physicians) to coordinate care.
- Ensure all services are HIPAA-compliant and meet ethical and licensure standards.
- Attend virtual team meetings and participate in supervision or case consultations (as applicable).

Qualifications:

Required:

- Master's or Doctoral degree in Counseling, Social Work, Psychology, or a related field.
- Active, unrestricted clinical license in PA and/or surrounding states (e.g., LCSW, LPC, LMFT, PsyD, PhD). – Or license eligible in the state of PA, seeking hours for LPC licensure.
