Lin Pernille Kristensen
Lin Pernille Photography
Photographer & Videographer

I fell in love with wedding & event photography when I shot my first wedding at 18 years old. When I was 20 years old, during my junior year in college, I knew that I had found my passion and decided to incorporate my photography business. Since then, I have been lucky enough to capture countless events and weddings of a wide variety of cultures and styles. I will always strive to capture the mood, style, and all the important moments to the best of my abilities, while being attentive yet unobtrusive, and making everyone feel comfortable and calm throughout the whole day. I'm very grateful to be able to do what I love. Please feel free to contact me and I'll be happy to answer any questions or help you plan & book your event!
