## *A Notable Difference*

### Step Back in Time.

Originally built in 1912 for the Maddox Coffee Company, much of the building has been restored to its original aesthetic such as exposed brick, heavy timber beams, & hardwood floors.

With some original pieces still remaining in the venue, the once coffee distribution hustle has been transformed into an upscale, full functioning venue. Your guests will experience a memorable day within a little slice of Atlanta history.

### Cheers to Craft Beers.

Say goodbye to boring event bars and limited selections. All of our bar packages include seasonally and locally selected beers served on mobile drafts located anywhere you want in the venue. From the our mid-tier package to our most exclusive top tier package, T330 offers the most expansive included garnish and mixer package in the city.

With so many customizable options, couples can get creative to create a one of kind beverage package for their wedding. Ask your sales representative for an expansive list.

Your out-of-town guests will have a multitude of options for any downtime during their weekend in Atlanta.

Get back to your hotel in a jiffy. T330 has over 8 full service hotels located within 2 blocks, some just a stone's throw away.

### At Your Full Service.

We like to say we can do as much or as little as you need. Our first and favorite approach, is to be your everything. We have seen it all – the good, the really good, the bad, and the really bad.
