# WHEATFIELD

## ESTATE

Set upon 5 acres of stately pine and spruce trees, Wheatfield Estate is a whimsical and enchanting woodland, located in Sparta, Ontario.

As the former home of Winter Wheat, a historic landmark of Sparta, Wheatfield Estate is a stunning wooded wonderland. Nestled in the trees, surrounded by farmland and lush greenery, our property provides a romantic and enchanted setting for a fairytale wedding celebration.

# OUR ESTATE

Have you ever known something was right so deep in your heart and soul, that you didn't hesitate to jump in with both feet? Of course you do, you wouldn't be here considering our estate for your wedding, if you didn't! *Well, that's exactly how Wheatfield Estate came to be...*

## Our story

As Hospitality professionals for over 20 + years (and counting), we had always dreamed of one day owning our own property to host weddings and events. The plan was to find our dream property as a retirement plan many years down the road, but when the opportunity came to purchase this iconic property, we jumped in with both feet - during a Pandemic no less!

They say "when you know, you know" - and this was very true in our case. We listed our newly built home, packed up our family, and put it all on the line to make fairytale weddings come true for couples in Southwestern Ontario.

Previously loved by Winter Wheat, a whimsical and quirky folk art and country store, our estate's heritage has been a landmark destination in Central Elgin for over 20 years. Wheatfield Cottage, built in 1844, was the original dwelling on the property, and we plan to honour its history, but with a cozy English cottage twist.

While the property itself is considered new as a wedding venue, we are not new to the Wedding Industry. Our years of experience planning events for hotels, convention centres, and our sister business, [Twelfth Night Events](#), has prepared us for this exciting new venture. We look forward to creating an incredible planning experience for our couples for years to come!

The bride is behind him, her face partially visible as she kisses his hair. She is wearing a diamond engagement ring on her left hand. The background is a soft-focus outdoor setting with greenery and a bright sky.
