

## order of events

### Before your portrait session

Be sure to browse the “what to expect and how to prepare” section of our senior magazine.

Decide on your location and outfits. Feel free to send me pictures if you’d like input on outfit coordination.

If you have any questions feel free to text, call or email anytime. You’re also welcome to schedule a pre-consult at our studio to go over any questions/concerns, discuss your hopes and desires for the shoot and check out our sample products.

Please take a few minutes to review our company policies.

### During your portrait session

Please bring the balance of your session fee to your session.

You’ve waited a long time for this day and now it’s time to relax and have fun! Feel free expressing your opinion and wishes! Let me know if there is a certain spot or pose you’d like (or wouldn’t like) to try during your shoot. Your wish is my command!

### After your portrait session

Seeing the beautiful images we’ve created together is one of the best parts! I will do my best to post a sneak peak on social media within a few days of your session.

Make sure you have your reveal session scheduled for a date within 3 weeks of your portrait session. During this session you will view all of the images from your shoot, select your favorites and place your order.

Your prints will be ready for pick up within a 2-3 weeks of your order date (this time may be extended during the month of September).
