## **INTRODUCTION**

Welcome to Faith Community Christian Academy!

The Faith Community Christian School is a ministry sponsored by Faith Community Worship Center located in the heart of the City of Arcadia. Faith Community Worship Center is committed to bringing quality, affordable, Christian education for grades K through 12 to the City of Arcadia of De Soto County.

The Faith Community Christian School uses ABEKA for grades K – 1st and self-paced curriculum for grades 2-12 which requires mastery of each subject at each level and incorporates character and Biblical training in the student's everyday lessons.

The staff at the Faith Community Worship Center realizes the great challenge parents are faced with in the spiritual, academic, and social training of their children. We consider it a privilege and honor to be able to work with you in meeting the needs of your children in these areas. It is our goal to provide each student with the knowledge and character training necessary to become a success in life.

## **OBJECTIVES**

The objective of Faith Community Christian Academy is to obey the Scriptural imperatives of:

Deuteronomy 6:5-7: "Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up." (NIV)

Teaching is training. Training for life must include training for eternity. The home, the church, and the Christian school must work together in training your child. Regular church attendance is essential. Family and school training should be reinforced by church training under the leadership of a local pastor. Together these make a consistent Christian environment for each child.

Our school has not been established to reform, but to train youth of every ability and aptitude in the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity and morality, and good citizenship.

### **ADMINISTRATIVE PREROGATIVE**

Sometimes there will be new situations or circumstances not covered specifically by this handbook. The Administration reserves the right to exercise administrative prerogative in responding to these new situations.

The Faith Community Christian Academy, admits students of any race, color, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to the students at the school. It does not discriminate on the basis of race, color, national, or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, athletic, or other school-administered programs.

- 3) Upon enrollment, submit a complete application, student standard of conduct, registration fee, previous report card, student release of records, signed financial contract, copy of social security card, copy of birth certificate, immunization record, proof of recent physical, proof of custody, where applicable.

## **PATRIOTISM**

Patriotism places emphasis upon the greatness of America's heritage and the sacrifices of her heroes. America's constitution guarantees liberties to educate in order to preserve freedom. We teach Biblical doctrines of self-discipline, respect for authority, and obedience to the law, and their natural outgrowth, love for flag and country. The following three pledges are memorized and recited on a daily basis by the students:

### **PLEDGE OF ALLEGIANCE TO THE AMERICAN FLAG**

I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

### **PLEDGE OF ALLEGIANCE TO THE CHRISTIAN FLAG**

I pledge allegiance to the Christian flag and to the Savior for whose kingdom it stands; one Savior, crucified, risen, and coming again, with life and liberty to all who believe.

### **PLEDGE OF ALLEGIANCE TO THE BIBLE**

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp to my feet and a light to my path. I will hide its Words in my heart that I might not sin against God.

## **FAMILY INVOLVEMENT**

Conferences and meetings promote good understanding and communication between parents/guardians and the staff of the school. All parents/guardians are required to participate in these informative and helpful conferences, which may be scheduled following the first quarter, or on an as-needed basis should conflict arise. Also, attendance at other meetings such as awards night and graduation is vital to promoting unity between our staff and school families. Attendance at parent orientation will be mandatory each school year.

## **CONFRENCES WITH PARENTS/TEACHERS**

Faith Community Christian Academy is dedicated to a high level of communication among parents, students, and teachers. Parents/guardians and students should meet with their teacher periodically throughout the school year. A conference may request by either party to check the progress of the student, review any disciplinary issues or other items that may need additional attention of the parent or teacher.

## **STANDARDS OF CONDUCT**

Students must agree to strive toward the highest standards of character in conduct and attitude. They must do their best to promote, uplift, and encourage all in and around the school. Students must also agree to strive toward conducting themselves in an orderly, respectful manner, maintaining Christian standards of courtesy, kindness, language, morality, and honesty, respecting the person and property of others. Because we understand that instruction in Christian character is life long, there will be ongoing training to teach our students to refrain from talking about (even "in jest") or participating in griping, cheating, cursing, stealing, using tobacco, gambling, drinking alcohol, sexual activity or harassment, pornography, using or distributing narcotics, witchcraft, gang activity, etc. Students who participate in such activities may be subject to disciplinary action, up to and including suspension or expulsion.

The school has a "zero tolerance" policy in regard to violence, threats or plots of violence, and/or carrying of weapons of any kind onto school property. These will be dealt with swiftly, including expulsion and notifying the police department. Students also may not talk about guns, knives, bombs, doing violence to, or killing others even "in jest," and should never tolerate any other children who do. Any child who learns of threats or plots of violence against the school or against another student should report this immediately to the Administration.

The Faith Community Christian School will not tolerate visual, verbal, or physical contact by any student that harasses another student, interferes with another's school performance or creates an intimidating, offensive, or hostile environment. Harassment for any reason is prohibited. The Faith Community Christian School will not tolerate derogatory, offensive or other inappropriate remarks, slurs, or jokes. Faith Community Christian School expressly prohibits and has "zero tolerance" for sexual harassment. Sexual harassment includes unwelcome sexual advances, requests for sexual favor, or any other visual, verbal, or physical contact of a sexual nature, including, but not limited to sexual flirtations, advances, or propositions; verbal abuse of a sexual nature; graphic or suggestive comments about an individual's dress or body; sexually degrading words to describe an individual, or sexually offensive or degrading jokes or stories; sexually offensive gestures; displays of sexually explicit photographs or images.

Faith Community Christian School will promptly investigate all complaints of harassment in as impartial and confidential a manner as possible and, when appropriate, will take corrective and preventive action. Fraudulent complaints of harassment will not be tolerated. Faith Community Christian School shall be judge of what constitutes inappropriate conduct in violation of this policy. Any student, who is found to have engaged in harassment or retaliation against another student for filing a complaint of harassment or for participating in an investigation of sexual harassment, will be subject to appropriate disciplinary action, up to and including dismissal from school. Similarly any student who breaches instructions regarding confidentiality or who interferes in an investigation under this policy will be subject to discipline, up to and including dismissal.

## **SEVERE WEATHER**

In the event of severe weather (tropical storm, hurricane, tornado, etc.), Faith Community Christian School will keep apprised of and follow all recommendations and warnings from the Desoto County School Board regarding safety issues and closing of the school.

## **FIRE DRILLS**

Practice drills will be held periodically throughout the year. At the sound of a fire alarm, students are to stand and file out of the building in an orderly manner to a designated place. The Administration will signal when students may return to their classrooms in the same orderly manner. Students must walk in single file. They are expected to refrain from talking, pushing, or running.

## **FIELD TRIPS**

Students may go on various field trips at different times during the year. They may be required to complete assigned work in order to go. Although such off-campus trips are of real enjoyment to the students, they are designed primarily to enrich learning. Supervisors may ask students to take notes and/or complete tests upon returning to school. A natural outgrowth of such trips, which are conducted under the supervision of adults on every occasion, is that students are taught self-control and appropriate behavior in various social atmospheres. A permission slip will be sent home, signed, and returned to the school for each off-campus trip. Parents will be informed of any fees for such trips in a timely fashion.

## **FUND RAISERS**

The school reserves the right to hold fund raisers (in co-operation with the supporting parent organization) for various projects throughout the school during the school year; however, it is our intention that these are kept to a minimum. It is imperative that all families participate in this school-wide effort to keep our tuition costs down.

## **ACCIDENT INSURANCE**

Every child will be covered by a school-time insurance plan. The school-time insurance is not a primary policy. Therefore, if a student is injured, a claim should be made with the parent's insurance company first, and then the school-time insurance will pick up covered expenses in excess of the parent's company.

## **MEDICAL GUIDELINES**

If your child must take medication, please ask your doctor if the schedule can be arranged so that the medication may be given at home before and after school hours. If this is not possible, the medication may be given at school only if failure to take it could jeopardize the student's health. The parent permission for medication form must be filled out by you yearly and remain on file at the school. Medication must be brought to the school in the original container from the pharmacist, fully labeled. If your doctor orders over-the-counter (nonprescription) medication, such as Aspirin, Tylenol, cough medicine, etc., for less than a 2-week period, it will be necessary for the doctor to give you a written note to bring to the school. The nonprescription medication must be in the original container labeled with the student's name and specific directions concerning the dosage, and all nonprescription medication must be provided by the parent. No over-the-counter medications (nonprescription) will be given without the written statement from the doctor. If your doctor orders prescription medication for less than a 2-week period (such as antibiotics), the original prescription bottle itself must serve as the doctor's written note, along with a note from the parent/guardian confirming directions and times to be given. If any

medication is needed for more than a 2-week period, the Doctor's Permission for Medication Form must be completed yearly and remain on file at the school. We will not administer any medication to any student without the appropriate parental and doctor permission slips on file; however, parents/guardians may come to the school office in order to administer prescription or nonprescription medication to their child(ren) during school hours, and the child will be called out of class.

No student may self-carry or self-administer any medication at any time on the school campus (including Tylenol, Midol, etc), with the exception of self-administered inhalers and/or nasal sprays, and we must have on file a note from the doctor stating the student may carry such and is proficient in using it. Any student found carrying and/or administering medication to self or another student will be subject to disciplinary action.

### **HEALTH FORMS**

Please be advised of the physical and immunization requirements for students per the State of Florida Department of Health. Required immunization and physical forms must be on file and up to date for the school to be in compliance with the State Department of Health, and for your child to be permitted to attend school on opening day. Completed physical on yellow State Department of Health form\*.DH 3040 and an up to date immunization on blue State Department of Health form\*.DH 680. Both forms are available from your pediatrician/doctor or local Department of Health.

### **ILLNESS AND/OR ACCIDENT**

Usually, when a student is ill enough to be out of class, parents are notified, and the student must be picked up. If a student has a temperature of 100 degrees, the parent will be called and the student must be picked up. Please DO NOT send your child to school with a fever. In the event of an injury or accident, parents are notified immediately according to home, work, or emergency phone numbers supplied to the school office. Every effort will be made to contact parents before medical attention is obtained. The school administers only minor first aid. The attending staff will fill out an Accident Report Form; a copy will be sent home, and a copy will be kept in the student's file.

Any student with a communicable disease (an illness which can be spread throughout the student and/or staff population) for which immunization is required by law or is available, shall be temporarily excluded from school while ill and during recognized periods of communicability. Students with a communicable disease for which immunization is not available shall be excluded from school while ill. If the nature of the disease and circumstances warrant, the school may require an independent physician's examination of the student to verify the diagnosis necessary to enforce its communicable disease policy and to take all necessary action to request a letter from the physician after an illness before the student can return to school.

In accordance with Department of Health guidelines, any child found infected with Head Lice must be excluded from school until treated and all nits are removed. Upon return to school,

parent/guardian must provide proof of treatment (box or receipt for purchase of treatment) and must be checked by designated personnel.

### **ATTENDANCE**

Absence for reasons other than sickness and emergencies will be excused only if arrangements are made in advance with the supervisor or administrative staff, and the student is sufficiently advanced in his/her work. Excessive absences will inhibit the student's progress. If, in the opinion of the Administration, the absences are unnecessary, the student will be considered truant. The following number of days shall be acceptable: 7 unexcused days absent from school per quarter. If more than 7 days per quarter are unexcused absences then an attendance meeting will be held. If attendance does not improve the student will be in jeopardy of losing his/her ability to attend F.C.C.A.

Whenever a student is absent, the parent/guardian of the student shall: 1) Immediately report and explain the cause of such absence to the school office; 2) Provide a written note specifying date(s) and the reason(s) for the absence upon the student's return to school. If the absence is foreseeable, a note should be sent in advance. Doctor, dental, music, and other appointments should be scheduled after school hours.

\*Absences for COVID illness or exposure will be excused with a letter from parent/guardian.

### **TARDINESS**

Students are considered tardy if not in their classroom and in their seats by the start of the school day. When late, a student must first go to the school office to receive a pass, and the parent/guardian/student driver/car pool driver should bring the student into the school office. Continued tardiness may necessitate a parent/guardian conference with the administration and may result in revoking of all privileges. Tardiness interrupts the flow of morning devotions and inhibits the student's spiritual growth. Administrative staff has the right to dismiss a student from F.C.C.A. if Excessive tardiness becomes an issue.

### **ARRIVAL/DISMISSAL POLICY**

The school day begins at 8:30 a.m. and ends at 2:30 p.m. Students may be dropped off as early as 6:45 am and any student wanting breakfast needs to be in the cafeteria no later than 8:15 AM. School dismissal begins at 2:30 PM. Students walking, driving, or riding bicycles must leave immediately upon dismissal and may not loiter on campus. Students being checked out early must be signed out before 2:15PM otherwise they will be released to parents through the parent pick up line only. **FOR THE SAFETY OF OUR STUDENTS NO CHILD(REN) WILL BE RELEASED TO ANY GUARDIAN THAT IS NOT IN THE PICKUP LINE.**

### **NEW STUDENT PROBATION PERIOD**

Students enrolling for the first time with Faith Community Christian Academy may be put on an initial probationary period, at the discretion of the designee/administrator. This probationary period will be approximately four (4) weeks. If the student is meeting scheduled appointments and turning in satisfactory work, then the student will be taken off probation. If the student fails to meet these expectations, then the student will be dropped from the school

## **STUDENT RELEASE**

The Faith Community Christian Academy, will strive to work with parents to ensure and safeguard their child's safety while at school.

1. No student will be released by a teacher during the day for any reason without specific instructions from the school office.
2. All requests for early release from school must be approved by the Administration for authenticity and appropriateness.
3. Should a written personal request be made by a non-custodial parent for early release of a child into his/her care, such a request will be honored only with
  - (a) The consent of the custodial parent through a school-initiated telephone conversation; or
  - (b) Instructions from a court.
4. Should a request be made by a non-custodial parent to make contact with a child at the close of the school day or be directed to the student's classroom, such a request shall be denied by the principal unless there be
  - (a) The consent of the custodial parent through a school-initiated telephone conversation; or
  - (b) Instructions from a court.
5. Should a custodial parent request that the school prevents a child from any contact with the non-custodial parent, the custodial parent shall be requested to submit to the school a final judgment and/or settlement agreement serving as a basis for his or her request.
6. In the event that parents are going out of town without student(s), we ask that parents notify the school in writing of adult caretakers who will be responsible for their student(s). The names, phone numbers, and any alternate procedure to be followed should be included in the notification.
7. Please limit early pick up as much as possible. Students need to be in school for the entire school day. When a student is picked up, early release document must be signed. Too many early releases may interfere with a student's promotion to the next grade.

## **ACHIEVEMENT TESTS**

Each spring, standardized achievement tests will be given. The school may administer other school ability tests as deemed necessary.

## **CURRICULUM**

FCCA offers the finest in academic curriculum. Our program is based on a thorough mastery of the fundamental elements of study. We believe that a child's education must be measured largely by his ability to reason intelligently, read comprehensively, compute accurately, write legibly, and spell correctly. Our academic package may be considered as "Back to the Basics," in that we stress the major subjects of Math, English, Science, Social Studies, and Spelling. Additionally, a Bible course is part of our core curriculum. Many electives are available, but are only prescribed in proportion to what each individual child is able to master above these major subjects. Our

school uses an individualized curriculum and procedures. Each student is taught in a completely individualized manner. All curriculum, including PACES, is the sole property of FCCS. Computer and video curriculum are to be used under staff supervision only. Students abusing or damaging computer or video software or equipment will be required to pay full retail cost and/or labor and shipping at the Administration's discretion. Unauthorized use of PACES, Score Keys, Test Keys, etc. by student or parent may result in immediate dismissal from school.

PACES are not to be shared among students. After a PACE is completed, the student will wait until the next morning before receiving the Test and will wait an additional night before receiving results and a new PACE. Work in PACES is done in pencil. Work in English and Spelling must be done in cursive writing beginning with PACE 1025 and in Social Studies and Science beginning with PACE 1031. Work must be shown in Math and Science PACES. Calculators are permitted as follows: 6th – 8th grades, non-scientific calculator after successfully passing the Calculator Proficiency Test and 9th – 12th grades, scientific calculator.

Resource books are also the property of the Faith Community Christian Academy. Students may be assigned resource books at times to complete with their PACES. Care of these books is the responsibility of the student. If a book is lost, the full retail cost of the book plus shipping will be charged.

## **HOMEWORK**

The responsibility for scholastic achievement is placed upon the student. Student(s) should need to take only a minimum of academic work home. The goals set by the student and reviewed by the supervisor are no more than the student is capable of completing during the regular school day. Should a student not meet the goals for a particular day, it will be required (at the supervisor's discretion) that the student complete the work at home. Should the student have homework, a Homework Assignment Slip giving the exact pages to be completed will be given to the student. The slip is to be signed by the parent/guardian certifying completion of the homework; accuracy of homework is ultimately the student's responsibility. The Homework Assignment Slip is to be signed and returned the following school day. Failure to do so will result in detention. Failure to complete homework assignments will result in detention. Incomplete homework 3 times in one week may result in in-school suspension. Homework may be assigned by the supervisor that is not PACE work, including special projects, book reports, current events, research papers, etc.

## **PROGRESS REPORTS**

K-5 (on the Abeka program) will be graded on daily work and tests averaged on a 9 week report card. The grading system for grades 2-12 of our school is designed to give parents/guardians a true indication of the student's progress or lack thereof. Reports show percentage scores and letter grades (calculated by the number of PACES completed and the percentages). Progress reports are given to students to take home following each nine-week period. A signature slip is to be signed and returned to the school promptly.

## **HONOR ROLL**

Honor Roll is a public recognition of academic achievement given each quarter. It is derived basically from the score of all graded subjects and academic balance. Students completing the assigned graded curriculum, with academic balance, having an average score of 90-94% are eligible for Supervisor's Honor Roll, provided there are no grades lower than "C-." Students with a 95% or better average score of assigned graded curriculum, with academic balance, and no grades lower than a "B-" are eligible for Principal's Honor Roll. Additionally, each monthly scripture must be memorized.

## **STUDENT RECORDS**

The school maintains a complete record for each student. All material in these files is treated as strictly confidential and is available only according to the following policy:

1. Parents/legal guardians have the right to inspect and review all official records, files, and data directly relating to their child(ren), including material that is incorporated into their student's cumulative record folder.
2. When a student becomes eighteen (18) years of age or is attending an institution of post-secondary education, the permission or consent required of and the rights accorded to the parents and guardians shall thereafter also be accorded to the student.
3. Parental requests to inspect and review the official record relating to a child shall be made in writing to the Administration. Such requests will be honored at the school's convenience. All records will be reviewed or inspected in the presence of an administrator so that proper explanation may be given. Parents may request a meeting with the Administration to provide an opportunity for the correction or deletion of any inaccurate or misleading information.

## **HIGH SCHOOL/GRADUATION REQUIREMENTS**

A prescribed course of study will be determined through a conference with the supervisor and/or principal, parent/guardian, and student. High school students will be shown an academic projection beginning in the ninth grade, which allows them to see the work required for high school graduation. ### **PERSONAL APPEARANCE**

The rule of thumb with regard to appearance is the Biblical standard of modesty and moderation. We expect our students to wear jewelry, hairstyles, make-up, etc. in keeping with what is appropriate to a school setting. If it seems questionable to student and parent, it is probably not appropriate for school. Also, if jewelry is in any way distracting to the learning process, the student may be asked to remove it. If a student is found to habitually wear jewelry, hairstyles, make-up, etc. deemed inappropriate, this may be cause for discipline or a parent conference. The administration reserves the right to determine and make the final decision regarding the appropriateness of any student's appearance.

### **DISCIPLINE**

It is an honor that you have entrusted your child to our staff to assist you in training in Biblical character. To carry out your wishes for total character development, we believe it is necessary to follow the Biblical admonition to correct a child when his/her behavior is in violation of proper or reasonable rules and procedures, especially moral violations. Students must do their best at all times to conduct themselves in a manner consistent with Christian behavior. Gripping is not tolerated. If your child comes home complaining about a policy or discipline, please follow this procedure:

1. Give the staff the benefit of the doubt (for example don't "make a mountain out of a molehill").
2. Realize your child's reporting is emotionally biased and may not include all information;
3. Realize the school has reasons behind all rules and must enforce them without partiality;
4. Check your handbook to see if the issue is addressed there;
5. Support the Administration and call the school for a conference if necessary.

During the course of the year, occasional misunderstandings or problems arise between a teacher and student, teacher and parent, parent and school, or any one of several possible areas. This is often the result of lack of communication between those involved. The school's policy for dealing with these situations, consistent with the teachings found in Matthew 18, includes:

1. All questions, problems, or complaints should be brought directly to the child's teacher before anyone else is involved.
2. If the situation is not cleared up at this level through direct contact, it should then be brought to administration. The teacher will be included in this meeting.
3. If the problem is still not solved at this level, it should then be presented to the principal, who will carefully assess the situation and make recommendations.

Parents agree to follow these steps and to attempt to reach a positive resolution to problems and disagreements within the school community. Activities to be avoided at all times include gossiping and spreading of hearsay reports. The good reputations of other persons and of the school are to be protected and promoted.

This school is dedicated to the training of children in a program of study, activities, and living that is Christ-centered. When a child's attitude is consistently not in accord with school policies or principles, the child may be placed on probation and parents/guardians called in for a conference. If the situation remains unchanged, we may ask that the child be withdrawn. Junior High and High School students, in particular (because of their testimony before younger children), are trained to adhere to the school's philosophy and Christ-centered program, including abstinence from sexual activity, pornography, violence, gambling, cursing, stealing, using tobacco, alcohol, narcotics, witchcraft, gang activity, and any other questionable activities unbecoming to a follower of Christ. Discipline is maintained, which is firm, consistent, fair, and tempered with love. Our staff will always try to maintain standards of behavior in the Learning Center of courtesy, kindness, and a genuine regard for the students. However, when disciplinary action becomes necessary, it is firmly carried out, tempered by good judgment, wisdom, and understanding.

#### **STUDENT SEXUAL HARRASEMENT**

Students may be suspended or expelled for sexual harassment. Within the educational environment sexual harassment is prohibited between students, employees and students, and supervisors and students. Repeated or unwarranted verbal or physical sexual advances, sexually explicit derogatory statements, or sexually discriminatory remarks made by someone in the educational environment or on such electronic communications such as Facebook, twitter, snapchat etc... which are offensive or objectionable to the student, or which cause the student discomfort or humiliation, or interfere with the student's performance, are prohibited. Action will be taken when necessary to eliminate such practices or remedy their effects.

Students who engage in such harassment may be subject to disciplinary action up to and including expulsion. Such violations of this type of policy will be given,

- 1). A verbal warning
- 2). A written warning
- 3). Expulsion from school.

### **DISCRIMINATION**

Any student who feels that he/she has been discriminated should report any offense to the teacher and Principal. A complaint may be filed and will be mailed to the appropriate persons.

### **SUSPENSION/EXPULSION**

The staff reserves the right to have a student serve an in-school detention (Dean's office) for repeated or more serious violations of school regulations or to correct a child's work attitude or performance. The paramount rule in the school is "Do not disturb." After admonishment and fair warning verbally, students may earn loss of all or part of a break or after-school detention. Supervisors may also use a "time out" for discipline where age-appropriate. Examples of offenses for disciplinary action include: Getting out of the chair or leaving the student office without permission, disturbance in the classroom, going to the scoring station with a pencil, improper scoring procedures; extra red markings in a PACE, leaning back in the chair, not returning a homework slip signed, not returning a parent envelope signed, working in any part of a self-test without first obtaining initials; cheating in a PACE or PACE test, arguing with a supervisor, horseplay, fighting with another student, or defacing property, etc.

When a student receives an in-school detention, a corrective action notice is sent home with the student and is to be signed by the parent/guardian and returned the next school day. This is vital so that the staff is assured the parent/guardian has received proper notification of disciplinary action.. If a student is absent during his/her in school suspension they will still be required to full fill those days he/she missed.

Repeated infractions of school regulations, inappropriate actions or attitudes or acts of misconduct will result in the teacher's application to administration for a referral to the Dean or Principal's office. A student may be suspended from school for gross misconduct or upon accumulating their third referral to the Dean's office in the same school year. Parents will be notified by the administration of the reasons for the referral or suspension. A suspended student may be reinstated to school after consultation with both the student and parent/guardian, and with the assurance from them that such behavior and/or attitudes will be discontinued and the student will return to school with a cooperative spirit. Students are not allowed to take their PACES home to work in them during a suspension.

During the probation, students will be excluded from any and all extra curricular activities, i.e. class parties, field trips, dances, etc. At the end of the probation, the principal and students teacher will determine if the student's probation will be lifted, extended, or the student will be dismissed from the school.

When a student is expelled, the Principal shall notify the parent/guardian, in person and in writing, as to the reason for the expulsion of the student. **FCCA has the right to expel a student at any time for any reason.**
