

A LA CARTE *Price List*

Think of our pricing as an à la carte experience, designed to give you the freedom to create stationery that feels truly yours. However you decide to build your collection, every item will share the same cohesive, high quality finish for a look that feels effortless and unforgettable.

We want choosing your stationery to be simple and fun, so our pricing is straightforward and easy to understand from the start. Each piece is priced individually, and the price remains constant regardless of how many you order, allowing you the opportunity to curate a collection that feels just perfect for your day.

Our bespoke design fee is £150.

This is a one-time flat fee and covers the bespoke design of all items required as part of your stationery.
