I had to go to school  
for a long time. I fill  
cavities, repair cracked  
teeth, and help with the  
hygiene of your mouth.  
When you come to see  
me you probably leave  
with a new toothbrush, a  
tube of toothpaste, and  
maybe even some floss!

I am a doctor but not  
for humans. I help  
animals whenever they  
are sick or hurt. I can  
help animals give birth.  
I can also do surgery on  
animals. If you have a  
pet you probably take  
them to see me every  
few months.

I wear a uniform and  
have a badge. I help  
protect people. I make  
sure that everyone is  
following the law. I drive  
a car that has lights  
and sirens on it. I take  
people who break the  
law to jail.

I make sure that  
people are safe and  
comfortable when they  
ride on an airplane.

I make sure the  
emergency equipment  
is working, the airplane  
cabin stays clean, and  
that the passengers  
have food and drinks.
