POWER OF 10 COMMITMENT

THIS IS IT. 2026 IS MY YEAR!

As a committed player on the THIS IS IT Team, I am going ALL IN in 2026. I commit to giving my absolute best following and fully implementing the system, staying duplicatable, and being a constant source of encouragement and belief for every member of THIS IS IT Team. My personal commitment to myself and my family is to create a powerful Fast Start in 2026 by personally sponsoring 10 people in the next 8 weeks. 5 on my right team and 5 on my left team. I will hold myself accountable to this goal, lead by example, and help my team members to do the same. I commit to finish what I started and build with integrity, consistency, and purpose.

THIS IS IT. 2026 IS MY YEAR.
