"You, me and the Sea"

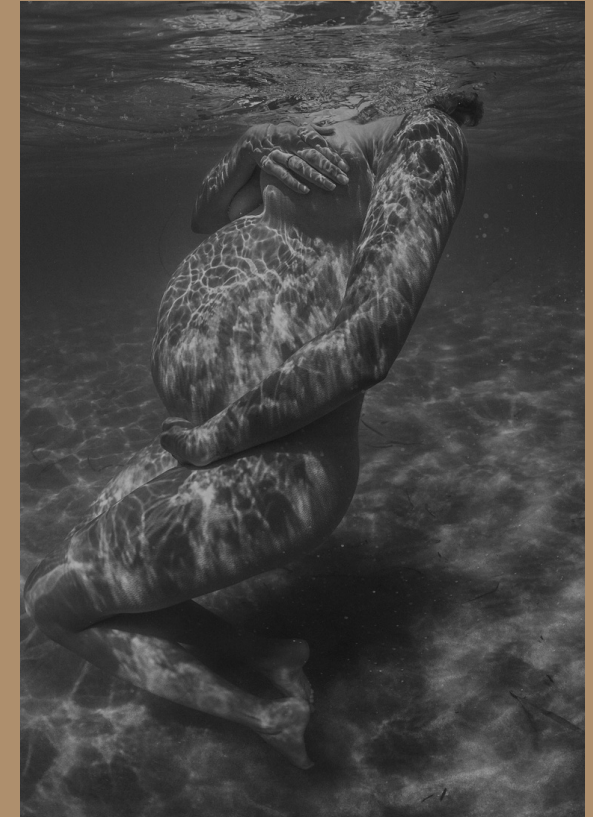

I'M SO HAPPY YOU'RE HERE

Thanks so much for getting in touch with me about the possibility of me capturing your magic moments in life. Whether it be a personal empowerment journey, family or the celebration of a pregnancy, I'm so happy you are taking this moment to honor and want to freeze this deliciousness in this moment. Above or below the water. I can't wait to dive in with you!

WHY I CAN'T WAIT TO DOCUMENT THESE MOMENTS IN TIME

From the beautiful chaos of your family to cheeky kisses and getting adventurous out somewhere on one of our stunning beaches, I'll be there to document your story (and all the fun bits). I'll even make sure to snap authentic moments that may've slipped by unnoticed - they're the best ones!

Hand on heart, every ounce of my energy will go towards creating a gorgeous and soulful collection of images for you to forever memorialize these precious moments in time. When you look through the photos memories will come to life and it'll be as though you're right there doing it all over again.

"high tides - good vibes"

KIND WORDS

"Amanda was fantastic to work with for our family photo shoot! We had an extended family shoot with 10 children, 7 under 8 years of age at the beach! What could possibly go wrong? Nothing.....Everything was perfect, and even when the younger ones were determined to get saturated playing in the water, Amanda captured these precious moments too! The resulting gallery is laden with beautiful joyful memories that are proving very hard to decide which will be best for the wall.

Amanda was casual, fun and didn't mind a little bit of chaos thrown in.

EMMA & THE FAM

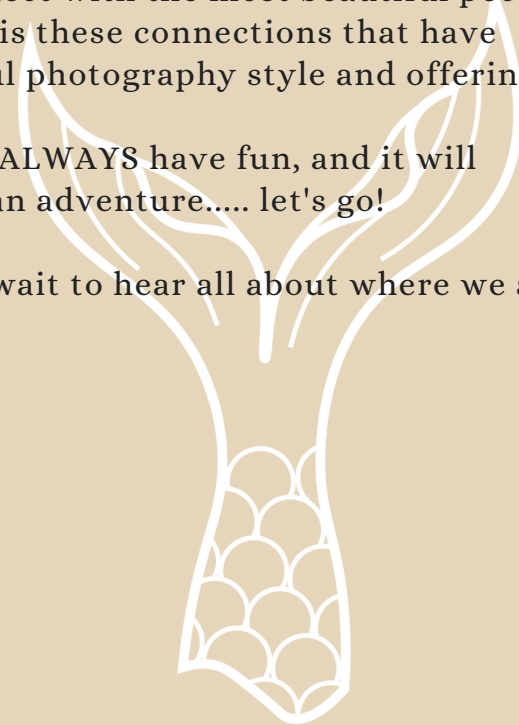

HI, I'M AMANDA

A creative soul with a love for mermaids, dogs, yoga and a self confessed surfy beach bum.

I have always been creatively minded and had a deep love for the ocean since I was a little mermaid. Roaming this world, always with a camera in hand, capturing all the moments along the way. I fell deeply in love with underwater photography only a short while ago, which has led me to connect with the most beautiful people, like yourselves. It is these connections that have inspired my soulful photography style and offerings.

I promise, we will ALWAYS have fun, and it will ALWAYS feel like an adventure..... let's go!

Chat soon, I can't wait to hear all about where we are going to play.

"WOW! What an incredible and honouring experience. I have never had a photoshoot done before and I felt welcomed, appreciated and at home with Amanda. I did not know what to expect but the full experience was incredible that I have had multiple shoots. Including the ocean, pool and in the surf, which was even more magical. I highly recommend Amanda - her detail, her kindness, her communication I truly respected, not to mention the epic photos that I received with love at the end."

A million thanks again, we're already recommending you to everyone we know!"

I would love to capture your epic adventure - anywhere in this big beautiful state of Western Australia or Internationally. Surf and Yoga retreats are my speciality.

+\$100 each hour of travel For Domestic, within WA (events or shoots more than 300km away)

+\$1,500 For International Travel (outside Australia)

Where are you based?

I'm based in Rockingham, Western Australia, nestled in the beautiful waters of the Shoalwater Marine Park, but I travel all over the globe to capture love - oceans of it

Do you photograph internationally?

You bet I do! Nothing excited me more than the opportunity to shoot a destination retreat or event

If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

Do you only photograph underwater?

NO! Yes, I LOVE underwater photography but if it's not your thing, no problem! Still love that beach vibe without getting wet.... I'm down with that. I can arrange a beautiful place for us to explore - I know a couple of secret spots!

Can I bring my Dog?

Simply YES PLEASE! Nothing more to say on that, except please be aware that I will probably spend more time loving on your pup, than you.... but I will try my best not to take 1 million photos.

#easilydistractedbydogs

How many photos will I receive?

You'll receive up to and over 100 photos, depending on which package you book. All of your professionally edited photos will be available on your very own online gallery and kept for 6 months. You are able to download from this platform.

How will I receive my photos?

Firstly, I'll send you a handful of sneak peek shots a couple of days after your photoshoot. 4 to 6 weeks later, you'll receive a link to your online gallery and slide slow to watch and relive the magic.

Your personal gallery is available for up to 6 months. You can download the images, share with friends and family and print directly from this platform.

How long will it take to receive our photos?

It will take roughly 4 to 6 weeks to receive your final photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

We don't want our photos on social media

This is your photoshoot and if you are uncomfortable with your photos being shared on my social media platforms, I will respect that. Please let me know ASAP so I can honour this.

What happens if disaster strikes?

This has never happened and will NEVER happen. However, if it did, I have contacts all over the world that will be able to step in. These are other talented photographers who will take good care of you.

"Confidence comes from knowing you are ALWAYS enough"

Do you have a payment plan?

Yes, we can organise to split your payments into four installments. Just let me know if this would suit you.

Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery.

What if I have to cancel or move my booking?

Life is complicated and the unexpected is to be expected. The deposit is non refundable as this helps to protect my business due to turning away all other booking for the scheduled date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

A little note on water safety and personable responsibility?

Your and my safety is my number one priority. EVERY possible precaution will always be adhered to when deciding to get into the water. I hold many qualifications such as Surf Lifesaving - Bronze Medallion, Surf Rescue, Level 1 Freediving, SSI Scuba - Advanced and I am a registered WA Surf Coach. All in all, I thoroughly scope every shoot situation for safety concerns and hazards. If, for any reason, I deem it unsafe (for what ever reason) I will reschedule the shoot for another time. This is mainly due to the weather, especially wind and swell. At any time during our shoot together you feel unsafe or wish to stop, you have every right. I will always check in to see if you are ok. ALWAYS!

Thank you, thank you, thank you Amanda! If we had to do it all over again, you'd be the first person we'd call! Can't sing your praises highly enough. Our maternity shoot was a dream x

"AMANDA WAS AMAZING"

My shoot with Amanda was such a beautiful adventure. I am not a strong swimmer but I felt so safe and held through the shoot and we had so much fun. Amanda spoke to me the whole time telling me exactly what I needed to do and the photos were beyond what I expected. She is a beautiful soul who just gets women and life and I would recommend for everyone to get in the water with her and have their own adventure"

"ARE YOU LOOKING FOR AN AWESOME PHOTOGRAPHER? CONGRATULATIONS!"

Now save yourself some time - stop looking at reviews - go ahead and book Amanda! Her photo's capture pure magic. I usually feel quite awkward trying to get nice pictures, but she made me feel at total ease and like a goddess. It was so much fun playing in the ocean! Her big smile, enthusiasm, confidence and directions of what to do paved the way. I was so stoked when I saw the images she captured. She captures so much more than just a photo."
