I fell in love with wedding photography when I captured my first wedding at 18 years old. I quickly realized that weddings combined every genre of photography that I loved: photojournalism, still life, portraiture, fashion, and beauty. When I was 20 years old, during my junior year in college, I knew that I had found my passion and decided to officially incorporate my photography business. Since then, I have been lucky enough to capture countless weddings & events of a wide variety of cultures, sizes, and styles.
