“Shannon, Everyone’s Still Raving About You And Your Fantastic Presentation At The Centre Club! Thank You For A Fun Filled Program And Helping Us Raise Money For The Leukemia Lymphoma Society.”

- Maureen Famiano Former
Executive Producer WTSP And WFLA-TV

Open Mic For Animals: Evidential Fairytales details the bewitching escapades of Shannon Spring, a professional Animal Communicator and Psychic Medium. Fearless, funny, and feral, Shannon hands an ethereal microphone to animals worldwide and invites them to share their wisdom, wit, and what they need people to know. After hitting rock bottom, Shannon cleaned up her life's litter box and became unstoppable in her mission to help "Any Species, Any Challenge, Anywhere!"

Like Sleeping Beauty, Shannon awakened with a kiss - but from the animal kingdom, not a prince. A peppy shelter dog, a sociopathic tiger, a flirty fish, and a host of party animals gave Shannon back her voice, and she's returning the favor. Shannon's spiritual safari is told through magical tales that are so unbelievable readers only need to ask: Do I believe in the magic of animals? Interspecies healing and laughter reign in this paw-paved path to freedom and fun. OPEN MIC offers something for everyone to love and for skeptics to heckle. Of course, animals go to Heaven; how else would people make it there?

"Shannon is a natural-born storyteller and truth warrior. You'll love this powerful book that'll heal your heart and open your mind's eye."
Dr. Deborah King, Master Energy Healer, NYT Best Selling Author of *Truth Heals* and *Be Your Own Shaman*

Shannon Spring, M.Ed. has been a featured expert on major media outlets. *Mayor Puppypants*, PhD-og is her beloved companion and business partner.

PRAISE FOR OPEN MIC FOR ANIMALS

"Shannon is a natural born storyteller and truth warrior. Open Mic For Animals is full of love, laughter, and power from a woman brave enough to unlock her own cage, and inspire you to do the same for yourself and animals everywhere. You'll love this book that'll heal your heart and open your mind's eye."

-Dr. Deborah King, Master Energy Healer NYT Best Selling Author of *Truth Heals* and *Be Your Own Shaman*.

"Open Mic For Animals is delightful, funny, and deeply moving. Through the outrageous adventure of her life communicating with animals, the animals finally have their say. Shannon has a beautiful heart and spirit that's healing animals and people. Shannon is close to being an animal herself!"

-Dr. Maia Kincaid, Founder of Animal Communication World.

"I know Open Mic For Animals will amuse and delight animal lovers across the globe. Shannon leads people into an unseen world giving hope and a connection to love and life that's so different from everyday existence."

-Amy Luwis, Author of *For Dog's Sake!* Creator of the viral cartoon, *Red and Howling*
