Premium Wines by the Glass

The Coravin™ wine preservation system has allowed us the opportunity to bring you a sample of exceptional wines by the glass. The Coravin™ works by inserting a needle through the cork which allows us to access the wine without opening the bottle and exposing it to oxygen. Argon gas is used to displace the wine, which keeps the rest of the bottle in pristine condition.

Winery of the Month

Yabby Lake Vineyard Mornington Peninsula

YABBY LAKE STORY

Yabby Lake Vineyard was established by the Kirby family in 1998, in Tuerong, which is located in the northern part of the peninsula. Over the past decade, the vineyard has built a reputation for single vineyard chardonnay and pinot noir of great purity and character.

Led by winemaker Tom Carson, their philosophy is to craft wines that speak of their site and the season in which they were grown. It's the attention and care in the vineyard that is most critical to allowing this expression.

Their vision and dedication has lead to some exciting accolades in recent years, including the history-making Block 1 Pinot Noir - which was the first pinot noir ever to win the revered Jimmy Watson Trophy, after 52 years of the award.

THE WINES

Yabby Lake craft a small selection of single vineyard and single block wines from their special site in Tuerong. Their focus is on pinot noir and chardonnay, but also have small plantings of pinot gris and syrah.
