TAKE A LOOK AROUND

We'd love to show you around. Please email our venue coordinator at info@inspireddecor.ca to schedule a tour.

OUR STORY

Stone Hedges Hops is a hop yard and wedding venue on centuries-old farmland that overlooks beautiful Lake Doré. The property sprawls across five acres and features rows of mature hops that are harvested each year for local breweries, a hand-built tiny house, and a brand new lookout with an incredible view that is perfect for enjoying cocktails and taking pictures.

The hop yard is operated by Brian and Marg Leach. It has a very special meaning for the couple, who have been married nearly 45 years. Brian's mother Beatrice grew up on the original farm and he and Marg have spent the last six years lovingly bringing the land back to all its glory and potential.

With the help of Inspired Events, couples can build their perfect day on the foundation of a beautiful piece of land with a rich local history. We're looking forward to hosting you!
