Michelle Chiles Visit!

We are so excited for one of our own Blue Room parents to come and visit us! Michelle Chiles will be coming to our center, along with the Chiles family's dog, "Ghost!" Michelle will be reading a Halloween story and have a little related activity, all while our students will get to see their friend Kathryn's puppy! Thanks, Michelle, we can't wait! 😊

PJ Parade!

This year, we are bringing our Halloween parade back! All children will go from classroom to classroom to trick-or-treat with their friends and teachers! Please send your children in their pajamas, as we will follow the parade with a movie day! Happy Halloween!

*If you choose to send in any goodies, please bring them by **Monday the 25th** in order to allow a 72 hour rest period. Thank you!
