

CONTENT CREATION

I specialise in creating gorgeous content that connects, which means capturing your beautiful soul doing what it does best, pairing it with killer captions and supporting you to put your most powerful and authentic self out there.

1

A professionally shot and beautifully presented gallery, to really help you stand out from the crowd.

A **mini brand shoot** is the perfect way to update your content for social and website.

90 minute brand shoot on location or in my private studio in the heart of Sheffield.

Price £199

2

Develop your content so that the vibe you are putting out there is so perfect, your ideal client will sit up and listen. I will work with you to identify the content you need to match your gorgeous business to your dream clients.

Pair a mini shoot with a brand development coaching call to really get the ideas going.

Price £250

3

I'll craft the killer captions to pair with your brand images, source perfect stock and produce graphics so that your content diary is curated and populated to perfectly engage your ideal audience.

30 days of bespoke content – including shoot, graphics, and captions that connect.

Price £299

MORE OPTIONS

Looking for something bespoke like journalistic event coverage, behind the scenes video, advertorials or content creation for publication? My on-site day rate is £350.

Maybe you're not sure what's best for you? Drop me an email to discuss the perfect package.
