SPONSORSHIP PROPOSAL

At **Renewed Life Ministries Outreach**, we are the hands and feet of Christ —called to serve not just in word, but in action. We walk alongside men facing addiction, trauma, and life-controlling struggles, helping them experience restoration through the love and power of Jesus.

ABOUT US

RLMO provides a Christ-centered, residential recovery community offering sober housing, trauma-informed counseling, spiritual discipleship, peer mentorship, and life skills support. We address healing on every level—spiritual, emotional, physical, relational, and financial—removing barriers and laying the foundation for lifelong transformation.

Our mission is to break generational cycles of addiction by equipping men to return to their families and communities as healthy, faithful, and financially responsible leaders—restored as sons, fathers, brothers, and friends through Christ.
