FAMILY SESSION WELCOME GUIDE

LOGAN FAHEY PHOTOGRAPHY

Hey Mama

so glad you stopped by

Pour yourself a cold brew (or a big glass of red, no judgement zone) and make yourself at home. I'm so glad you stopped by!

My name is Logan, but I most often respond to "mama". I'm a coffee shop lover, outdoor adventurer, and Netflix enthusiast. I live for warm summer nights, with the sound of laughter filling our backyard,

Simple family photography is my jam (no ridiculous posing here, pinky promise). Documenting a story that words could never properly tell, is my goal for your family.

My approach to sessions is casual, light-hearted, and always from a mother's perspective. I want these images to bring a smile to your face every time you see them. But even more than that, I want your children to have tangible memories, long after we are gone.

Our kids are the most photographed generation to ever live. Let's not leave them with an outdated device full of snapshots. It is my job to provide you with more than just photos, but an experience from inquiry through delivery. I will guide you the entire process, providing you with an experience you'll look forward to each year.

Tips & Tricks

smooth & successful family sessions

Tip 01

Plan your session around nap times for your littles. We want to make sure they are as happy as possible so it's helpful to schedule either a couple hours before or soon after naps.

Tip 02

Be sure to coordinate your colors together. You can refer to my clothing guide pinterest board that I will send through email. It's recommended that you wear neutrals and have pops of color.

Tip 03

Be EXCITED for your photos! Hype it up and make it super fun for your kiddos! Funny faces and tickles fights are all welcome here As a former elementary school teacher, I can promise your kids will have fun during our session!

Tip 04

Enjoy the experience! Family photos are meant to be memorable, not miserable. We'll have the best time together capturing all of the sweet moments.

How to Book

ready to join my tribe? sweet, I was hoping you'd say that.

Let's do this! Next step is to click [HERE](#) to select a session date roughly 10 - 14 days around your preferred date. I'll do my absolute best to schedule as close to your date as possible.

Once the booking comes through, you'll receive an online contract to sign and a link to pay half of the package price as a retainer.

I would love to chat about any questions you may have. Please don't hesitate to reach out at any time.

Looking forward to meeting your family soon!
