[Inslee Fariss](#): Inslee has some really fun watercolor prints, and the way she captures people is my favorite.

[Evelyn Henson](#): Evelyn's whimsical prints are lovely and she is a great place to go for animal prints and prints about cities.

[Megan Carn](#): Animals, animals, animals.

[Meredith Hanson](#): If you are looking for fun prints for your house on Nantucket, or you just love the island and preppy prints, Meredith is your gal.

[Jessica Marie](#): Classic southern prints with a touch of whimsy is how I would describe Jessica Marie's prints, and they start at only \$25.

[iCanoe2](#): This is the place to go for quotes with beautiful artsy backgrounds with a fabulous price point.

[The Illustrated Life](#): Lydia is the artist behind these quirky little prints, and they are definitely worth a look.

[The Rifle Paper Company](#): I'm sure most of you are familiar with Anna Bonds's designs and have seen her products at Paper Source.

[Emily Ley](#): Not only does she make a mean planner, but she also makes vibrant inspirational prints.

[Thimblepress](#): While you are checking out their art prints, you may want to stay and check out all the other fun things they have.

[Devine Paintings](#) - This is an Etsy shop with some unique prints. I love the oysters prints!

[A Thing Created](#) - Etsy shop. As you can tell I love prints with fabulous ladies!

[The People's Prints](#) - Etsy shop. These prints are more abstract than the others, but I love the colors.

[Laura Row Studio](#) - Etsy shop. Laura's prints are awesome and she also will do custom watercolors of your house.
