Frequently Asked Questions

1. What makes Uplift different from other tuition schools?

We provide a learning experience that extends beyond the classroom. At Uplift Education, all teaching staff have experience as both students and mentors of the HSC. Our tutors are well practised in the skills and techniques of success in HSC style examinations. Uplift mentors provide out-of-classroom support to our students via our Microsoft Teams Portal. We also offer free study spaces for enrolled students to use within our opening hours.

2. Do I need to buy anything else?

All course materials are provided by Uplift Education.

3. How many students are in a class?

At Uplift, classes have an average of 12 students and a maximum of 18.

5. What happens to my prepaid fees when I am away?

If you intend on being absent from class we require either a medical certificate, travel itinerary or any formal documentation indicating a serious reason for your absence. If Uplift is not provided with an approved notice of absence, prepaid fees will be deducted.

DISCOUNTS

FAMILY	10% OFF Family Bill	REFERRAL	10% OFF next invoice
--------	---------------------	----------	----------------------

Our payment system is flexible. Your child is able to join Uplift at any time during the calendar year without incurring any late fees or additional costs.

We use a 10-lesson prepayment system. To enrol your child into a class, 10 lessons must be prepaid after their free trial lesson and before their first formal lesson. When your child attends, one lesson is deducted from your 10-lesson prepayment until your child has finished attending these 10 lessons. When there are only 2 prepaid lessons remaining, a new invoice for another bloc of 10 lessons will be sent to your preferred email address.

In the unlikely event that you discontinue your enrolment at Uplift at the conclusion of your 10-lesson bloc, please give us a call so that the new invoice can be cancelled.
